About the conference

The "53rd International Conference on Advanced Nursing Research" will be place during October 10-11, 2023 in Paris, France, and is honoured to announce the combination of outstanding speakers. We kindly invite all distinguished researchers, students, and delegates to participate in this forthcoming nursing research conference in order to witness priceless scholarly conversations and contribute to future advancements in the field of nursing and its related fields. Conference Series Ltd, which organises the Advanced Nursing Research conference in Paris, France this year and will provide the future leadership in this crucial area for global health, believes that professionally-oriented nursing education is essential in the training of clinicians and academicians.

Theme: "Innovating Nursing Care through Advanced Practices and Research."

Why to attend the conference

In order to discuss and collaborate on their most recent research, nursing and healthcare professionals from all around the world will come together at Advanced Nursing Research 2023 in an intriguing gathering. Advanced nurses, also known as nursing PR practitioners, will present their most recent findings and instruct on vital subjects like clinical nursing, paediatric nursing, surgical nursing, heart and cardiovascular nursing, which deals with treatment and prevention, sedation, etc. Our Conference will offer the ideal forum for discussing:

- Commendable talks by the first-string of the global scientific community.
- Periods of excellent workshops.
- Outstanding Awards and International Recognition for Deserving Researchers.
- Global networking with more than 50 nations.
- Innovative Methods for Your Research.
- Networking and Global Business Opportunities.
- Exquisite platform for exhibiting your by-products and International Sponsorship
