Invitation...

Dear Friends!!

The Advanced Nursing Science 2018 annual meeting offers unparalleled Nursing, networking and business development opportunities. This two-day meeting is so highly regarded that more than 250+ attendees travel from 90 countries to attend and participate – making it the largest educational event in nursing in the world. We're excited to invite you to be part of it.

The goal of the ANSP 2018 is to respond to the changing nursing needs of members whether this is through additional workshops, simulation or electronic media. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the attendees from universities and institutes to interact with the world class Experts. ANSP 2018 is committed to providing attendees with an amazing experience. The Advanced Nursing Science 2018 annual meeting is sure to exceed your expectations in every way. With over 60 nursing sessions that cross 20 clinical tracks, you are invited to participate in seminars, refresher course lectures, panels, pro-con debates, clinical forums, hands-on workshops, scientific abstract posters and presentations, and medically challenging cases. This meeting offers something for everyone.

With Best Regards

Las Vegas is the 29th-most populous city in the United States. It is one of the famous American West city to have been founded in the 20th century, it has been grew from a tiny, desert-bound railroad service centre at the outset of the 20th century to the country's fastest-growing metropolis at century's end,with a population of 2,027,828 approximately. It is Nevada's economic centre and largest city. Las Vegas is a place of million-light bulb signs and fantastic architecture, of readily visible wealth. Grand Canyon or Yellow stone national park is one of the leading vacation destinations. Las Vegas's historic core lies at a site once occupied by marshes, freshwater springs, and grassy meadows. The city encounters itself as " The Entertainment Capital of the World", and is famous for its mega casino–hotels and associated entertainment. This city is one of the top three leading destinations in the United States for conventions, business, and meetings. In addition, the city's metropolitan area has more AAA Five Diamond hotels than any other city in the world, and is a global leader in the hospitality industry. Today, Las Vegas is one of the top tourist destinations in the world. McCarran International Airport handles international and domestic flights into the Las Vegas Valley. It is the main commercial airport for the Las Vegas Valley and Clark country, Nevada, United States. It is about 5 miles (8.0 km) south of downtown Las Vegas.
