INVITATION

Dear Attendees,

Conference Series LLC LTD welcomes you to attend the **27th International Conference on Advanced Materials & Nanotechnology** which is going to be held on **November 21-22, 2022** in **Singapore City, Singapore.** We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of **Nanotechnology** anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals. This is an excellent opportunity for the delegates from universities, institutes, and industries to interact with the world class scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Emerging Trends in Smart Materials and Nanotechnology".** As the premier event, we have developed a program with your interests in mind.

We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the **ADVANCED MATERIALS CONF 2022** to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to Conference this **November.**

Sincerely,
Organizing Committee

ABOUT US

Our International Open Access Journals

- **700+** Leading-edge Peer Reviewed Open Access Journals
- **21** Day Rapid Review Process
- **50000+** Editorial Board Team, **35000+** Reviewers team
- **30 Million** Readers and High Visibility
- **1000+** Scientific Associations Collaborations
- **100000+** **Facebook** Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore

ABOUT CONFERENCE

ADVANCED MATERIALS CONF 2022, The main objective is to bring all the leading academic scientists, researchers and research scholars together to exchange and share their experiences and research results about all the aspects of Nanotechnology. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns, practical challenges encountered and the solutions adopted in the field of Nanotechnology. The conference program will cover a wide variety of topics relevant to the Advanced Materials ,Materials Science and Engineering ,Smart Sensors ,Nano Medicine ,Tissue Engineering ,Polymers Science & Engineering ,Energy Saving Materials ,Nanotechnology Applications and so on. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

ADVANCED MATERIALS CONF 2022 SALIENT FEATURES

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

HOW CONFERENCE SERIES CONFERENCES DIFFERS FROM OTHERS?

- **3000+ Conferences** across the globe in **30+ countries** all through the year
- Over **25 million+ visitors** and **20000+ unique visitors** per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for global networking

GOALS

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goal of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about food safety and regulatory measures present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to elderly population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCE

GOALS

After participating in this meeting, attendees should be able to

- Discuss emerging issues in the field of Nanotechnology
- Discuss and apply recent research findings related to Materials Science and Engineering
- Opportunity to meet world's renowned at this event

WHO SHOULD ATTEND

27th International Conference on Advanced Materials & Nanotechnology is exclusively designed for the corporate network and to make a stage for the trading of data on innovative advancements, new logical modernization and the viability of different administrative projects towards **ADVANCED MATERIALS CONF 2022.** The use of Emerging Approaches in all parts of the cutting edge of Nanotechnology. This meeting likewise centers around a wide assortment of momentum look into on sanitation and wellbeing that have both useful and pernicious impacts on the security and nature of nourishments, and are along these lines a worry of general wellbeing.

ABOUT HOSTING ORGANIZATION

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than **3000+ global events** inclusive of **1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia** with the generous support and cooperation from our **30000 + Editorial Board Members, 1000+ Scientific Societies**. All the conference proceedings are published in the special issues of our **700+ Open Access International Journals with the DOI** provided by Crossref
