ABOUT CONFERENCE

ICAAOE – 2023 is organized by Conference which focuses on" 14th International Conference on Aerospace & Aeronautical Engineering" which will be held from August 28-29, 2023 Seattle, USA. ICAAOE – 2023 assembling all the professionals, industrialists and scholars from exploration areas of Aeronautics, Astronautics, Accoutrements Science, Fluid mechanics, Heat transfer and drugs to partake their exploration gests and indulge in interactive conversations and specialized sessions at the event. . The Conference will also have a space for companies and institutions to present their services, products, inventions and exploration results. The Conference will feature Webinar educational programs including panels, shops, affinity group lunches, paper donations, from each over the World to the Global Conference Session on Aeronautical engineering.

ICAAOE – 2023 will be a great platform for swapping new ideas and exploration. This gathering will give networking sessions for Scientists, crucial note speakers, Professors, Business sidekicks, scholars, and individualities from all masterminds. It also helps in continuing education openings and quality information participated by Keynote Speakers, Symposia, hands- on shops, and exhibition.

Market analysis

SCIENTIFIC SESSIONS

- Aerospace Technologies
- Aerodynamics
- Astrophysics
- Aerothermodynamics
- Structural Dynamics and Aero elasticity
- Space Engineering
- Material Science
- Aeronautics
- Aerospace Design Engineering
- Space Flight Machines
- Aircraft Design
- Stress and dynamics

CONFERENCE JOURNALS

All Our Journals Are Indexed In Scopus, Pubmed, Clarivate Analytics Etc..

Venue

Seattle, a city on Puget Sound in the Pacific Northwest, is surrounded by water, mountains and evergreen forests, and contains thousands of acres of parkland. Washington State's largest city, it's home to a large tech industry, with Microsoft and Amazon headquartered in its metropolitan area. The futuristic Space Needle, a 1962 World's Fair legacy, is its most iconic landmark.

Seattle has a history of boom-and-bust cycles, like many other cities near areas of extensive natural and mineral resources. Seattle has risen several times economically, then gone into precipitous decline, but it has typically used those periods to rebuild solid infrastructure.Seattle's University of Washington was greatly affected during the Depression era.

Date:
August 28-29,2023

Venue:
Seattle, USA

ELITE SPONSOR

- An opportunity to sponsor 10 Poster Presentation Awards.
- Three corporate sponsored workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- An exclusive online Promotion on all our Social Networking Sites.

GOLD SPONSOR

- An opportunity to sponsor 5 Poster Presentation Awards.
- Two corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- An exclusive online Promotion on all our Social Networking Sites.

SILVER SPONSOR

- An opportunity to sponsor 3 Poster Presentation Awards.
- One corporate sponsored workshop slot (must honor deadlines, catering and audio visual included).
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm).
- An exclusive online Promotion on all our Social Networking Sites.
