About Us

International Journals

- 900 Open Access Journals
- 21 Day rapid review process
- 30000 Editorial team, 35000 Reviewers team
- 3.5 Million readers and high visibility
- More than 100000 facebook fans
- Publication immediately after acceptance
- Quality and quick editorial, review processing

Key features

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

Conference Series Conferences

- 1000 Conferences all over the World every year
- Well organized scientific program
- Renowned speakers and scientists across the globe
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking

Key features

- Presentation by renowned speakers from all over the world
- Poster presentations and world class exhibits
- Interactive Sessions
- Platform for global networking
- Connecting scientific community

About Hong Kong

The capital city of Hong Kong is Hong Kong. Hong Kong is one of the great urban areas on the planet. The official dialects of Hong Kong are Chinese and English. Hong Kong is the Asia's best shopping goal and it is one of the world's costly urban communities. Hong Kong has created from a little angling town in the 1800s into a dynamic and exciting 21st century cosmopolitan city. It is a clamoring waterfront city brimming with great tall structures, and a combination of eastern and western societies. It gladly declares itself to be 'Asia's World City' and remains a key portal to China. Hong Kong is home of both the most astounding positioned Asian college in the QS World University Rankings (Hong Kong University at 23) and the main college in the 2012 QS University Rankings: Asia (the Hong Kong University of Science and Technology), Hong Kong is genuinely a higher instructive powerhouse. Hong Kong brags a very created transportation arrange. It is extremely advantageous to movement to and from Hong Kong. Hong Kong is a combination of East and West. There is no better place to encounter both eastern and western societies, and experience customary and present-day life. Hong Kong is the perfect springboard for outings to whatever is left of China too to different parts of East Asia.
