About Hong Kong

The capital city of Hong Kong is Hong Kong. Hong Kong is one of the great urban areas on the planet. The official dialects of Hong Kong are Chinese and English. Hong Kong is the Asia's best shopping goal and it is one of the world's costly urban communities. Hong Kong has created from a little angling town in the 1800s into a dynamic and exciting 21st century cosmopolitan city. It is a clamoring waterfront city brimming with great tall structures, and a combination of eastern and western societies. It gladly declares itself to be 'Asia's World City' and remains a key portal to China. Hong Kong is home of both the most astounding positioned Asian college in the QS World University Rankings (Hong Kong University at 23) and the main college in the 2012 QS University Rankings: Asia (the Hong Kong University of Science and Technology), Hong Kong is genuinely a higher instructive powerhouse.
