ABOUT BALI

Bali is the province of Indonesia and is located in the westernmost of Lesser Sunda Islands. The Island of bali is surrounded with small islands Nusa Penida, Nusa Cenigan, Nusa Lembongan. Indonesia is the main tourist destination which has significant number of tourists. It's a coral triangle with high biodiversity of marine species. The main tourist locations of Bali are saner, seminyak, Jimbaran, nusa dua and pecatu, kuta. The Bali tradition espoused the pre-existing animistic traditions of the indigenous people. This influence reinforces the belief that the gods and goddesses are present in all things. Every element of nature, therefore, possesses its own power, which imitates the power of the gods. Ritualizing states of self-control are a notable feature of religious expression among the people, who for this reason have become famous for their graceful and decorous behavior.
