Venue & Hospitality

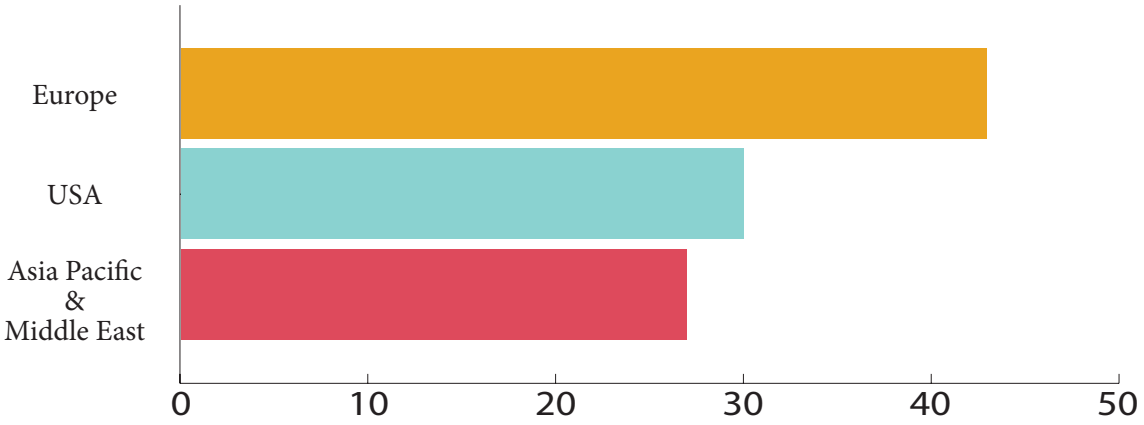

Abu Dhabi, the capital of the United Arab Emirates, sits off the mainland on an island in the Persian (Arabian) Gulf. Its focus on oil exports and commerce is reflected by the skyline's modern towers and shopping megacenters such as Abu Dhabi and Marina malls. Industrious city with a pretty waterside location. The revenues transformed Abu Dhabi into the modern city of today-a bustling center government and business. The Sheikh Zayed Grand Mosque is the major tourist attraction and wows all who visit but the city also makes a good base for excursions to the desert landscapes of Liwa Oasis and the oasis city of Al Ain. Abu Dhabi's rapid development and urbanization is coupled with the relatively high average income of its population, has transformed the city into a large and advanced metropolis. Abu Dhabi has a reputation for effectively facilitating world-class business occasions, thanks to some degree to the soul of participation which exists between the administration, business and neighbourhood groups. It is extremely well known for its warm hospitality, rich cultural heritage, ultramodern architecture, luxury shopping and the Emirati people are welcoming and lavish in their approach to visitors.
