Invitation

Dear Colleagues,

Conference Series LLC ltd welcomes you to attend the International conference on Aesthetic science and Plastic Surgery which is going to be held in Rome, Italy during October 14-15, 2020. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Drug Discover and Drug Delivery.

The Conference Aesthetic Science 2020 revolves around the theme "Scientific strategies and innovations on aesthetic science and plastic surgery". This conference paves a very good platform for the Scientists, Deans, Professors, Manufacturers, Students and Academicians to exchange their ideas & updates on recent innovations associated with it.

With Regards,
Aesthetic Science 2020 Operating Committee

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Aesthetic Science 2020 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Drug Discover and Drug Delivery.

About Rome

Rome, Italian Roma, historic city and capital of Roma province, of Lazio region, and of the country of Italy. Rome is located in the central portion of the Italian peninsula, on the Tiber River about 15 miles inland from the Tyrrhenian Sea. Once the capital of an ancient republic and empire whose armies and polity defined the Western world in antiquity and left seemingly indelible imprints thereafter, the spiritual and physical seat of the Roman Catholic Church, and the site of major pinnacles of artistic and intellectual achievement, Rome is the Eternal City, remaining today a political capital, a religious center, and a memorial to the creative imagination of the past.

Rome's contemporary history reflects the long-standing tension between the spiritual power of the papacy and the political power of the Italian state capital.
