INVITATION

Dear Attendees,

The Aging & Gerontology 2022 conference is concerned with social complements and counteraccusations of aging, cellular & molecular form of age- associated detriment as the premise of treatment options to deliver ageing under control. Aging & Gerontology 2022 purpose is to fete age- associated conditions and disabilities, and to suggest new perceptivity.

Theme: Interventional Innovations for a Better Aging Care Management

Aging & Gerontology 2022 aims to bring together leading academic scientists, experimenters and exploration scholars to change and partake their gests and exploration results about all aspects of Aging and Senior Drug. It also provides the premier interdisciplinary forum for experimenters, interpreters and preceptors to present and bandy the most recent inventions, trends, and enterprises, practical challenges encountered and the results espoused in the field of Aging and Geriatric Medicine. The Ultimate thing of the conference is to help the medical professionals in the senior field as well as general public to understand, empathize and take prompt conduct to help old people across the globe.

The global peak creates a multi-disciplinary forum for discussion and analysis in order to completely comprehend global, indigenous, and original trends around the world. The conference tries to put together an instigative scientific programme concentrated on Aging and Geriatric Medicine.

Sincerely,
Ageing 2022
Organizing Committee

ABOUT VENUE

BERLIN, GERMANY

Berlin is the capital and one of the 16 states of the Federal Republic of Germany. Located in northeastern Germany, it is the center of the Berlin-Brandenburg metropolitan area, which includes 4.9 million people from more than 180 countries. Berlin is the center of European politics, culture, media and science. The metropolis is home to world-renowned universities, research institutes, sporting events, orchestras, museums and celebrities.

Renowned for its festivals, contemporary architecture, nightlife and avant-garde art, Berlin has become a focal point for individuals attracted to the liberal lifestyle and modern zeitgeist ("zeitgeist"). As the capital of wealthy and technologically powerful Germany, whose economy is the fifth largest in the world. Berlin is home to 153 museums, including the Altes Museum (Old Museum), which has a bust of Queen Nefertiti, the Pergamon Museum, the Bode Museum, the Jewish Museum, the German Technical Museum in Kreuzberg, and the Humboldt Museum of Nature. A history that has the world's largest mounted dinosaur and the best-preserved archeopteryx specimen.

Art galleries include the Gemäldegalerie (Picture Gallery), which focuses on "Old Masters" paintings from the thirteenth to the eighteenth century, the Neue Nationalgalerie, which specializes in twentieth-century European painting, and the Hamburger Bahnhof, which exhibits a significant collection of modern and contemporary art.
