Dear Attendees,

We are glad to announce the 13th International Conference on Agriculture & Horticulture to be held in Zurich, Switzerland from September 10-12, 2018 organized by Conference Series Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Agricultural science studies and will be available to discuss with you the latest issues and trends in Unveiling the emerging research for delivering effective Agricultural & Plant science.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Agriculture Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Zurich this September.

Sincerely,
Agri 2018
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be
published inrespective Conference Series LLC Journals
Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Agri 2018 Conference website is attracting 25000+Agronomist, Agriculture searcher and scientist online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Agri 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Agriculture & Plant science present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Zürich

Zürich is the largest city in Switzerland and the capital of the canton of Zürich. There are 401,144 people living in Zürich making Switzerland's largest city, it is the global city and one among the largest financial centers of the world. Zürich is a hub for railways, roads, and air traffic. Both Zürich Airport and railway station are the vast and active in the country It is located in north-central Switzerland is located at the north-western head of Lake Zürich. Zürich is situated at 408m above sea level. Zurich has the oceanic climate with four different climatic zones. According to several surveys from 2006 to 2008, Zürich was named the city with the best quality of life in the world as well as the wealthiest city in Europe. Zürich ranked first in Monocle's 2012 "Quality of Life Survey" among the world and also the wealthiest city in EUROPE. The Economist Intelligence Unit's Global Liveability Ranking sees Zürich rank among the top ten most liveable cities in the world.

Many museums and art galleries can be found in the city, including the Swiss. As a "metropolis of experiences" by the water, with a magnificent view of the snowcapped Alps on the horizon, Zürich offers a unique mixture of attractions.

The lively tradition of merchant guilds in Zürich is dating back to the middle Ages. Equally impressive are their fine guild houses and guildhalls – such as the Zunfthaus zur Waag, open since at least 1303. Zurich's shopping mile has contributed largely to the city's reputation as an El Dorado for shoppers and is a top address for international fashion labels, jewelry and watches. Zürich Marathon is a popular sport event, inviting numerous athletes from every corner of the globe. Zürich Marathon is a long distance running event, covering 42.195 kilometers (26.219 mi) at one stretch. The traditional cuisine of Zürich consists of traditional fare, reflecting the centuries of rule by patrician burghers as well as the lasting imprint of Huldrych Zwingli's puritanism. Traditional dishes include Zürcher Geschnetzeltes and Tirggel.
