WELCOME ADDRESS

Dear Attendees,

The Agri 2025 Organizing Committee is absolutely delighted to welcome you to the **19th International Conference on Agriculture & Horticulture** which will be held in **Rome, Italy** on **November 03-04, 2025,** where we will be shining a spotlight on *"Climate-Resilient Crops and Sustainable Farming Practices"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your infectious diseases research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities Zürich, which It is located in north-central Switzerland at the northwestern tip of Lake Zürich. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2025 for an experience of a lifetime.

With Regards
Agri 2025
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Agri 2025 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Agri 2025 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of agriculture and plant science.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of agriculture.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, professionals and entrepreneurs

About Conference

19th International Conference on Agriculture & Horticulture is among the World's leading Scientific Conference. The two day event on agriculture and plant science will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of agriculture and plant science & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Infection conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of agriculture and plant science.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Infectious Diseases provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Agri 2025**.

ABOUT CONFERENCE

Who Should Attend?

Agriculture and plant products are essential for us. Food, energy, medicine and so many things we are able to get from plants. Agri 2025 seek to bring all such scientist, Noble Laureate, researcher, research scholar, students and people together who are involved in this field and provide them to discuss about their innovation, exchange ideas and interaction with each other.

Why to Attend?

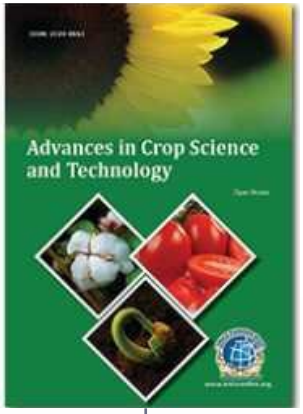

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

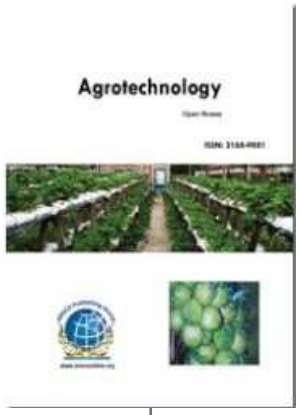

- Agriculture Engineering
- Agriculture & Food Security
- Plant Science
- Precision Agriculture
- Agricultural Production Systems & Agribusiness
- Agricultural Biotechnology
- Agronomy & Crop Science
- Agroforestry & Landscaping
- Agriculture & Environment
- Fertilizers & Pesticides
- Soil Science & Water Management
- Crop Protection & Entomology
- Food Science
- Greenhouse & Horticulture
- Livestock/Animal Farming

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT ROME

Rome, the capital of Italy, is a city where history, culture, and modern life blend seamlessly to create an unforgettable experience. Known as “The Eternal City,” Rome is one of the world’s most iconic destinations, offering a rich tapestry of ancient ruins, Renaissance art, Baroque architecture, and vibrant street life. With over 2,500 years of continuous history, Rome stands as a living museum that reflects the legacy of the Roman Empire, the seat of the Catholic Church, and the birthplace of countless artistic and architectural masterpieces. At the heart of Rome lies the awe-inspiring Colosseum, a symbol of the city’s imperial past and one of the most visited landmarks in the world. Nearby, the Roman Forum and Palatine Hill offer a fascinating glimpse into ancient Roman civilization, with remnants of temples, basilicas, and public spaces that once bustled with political and social life. The Pantheon, with its magnificent dome and oculus, remains one of the best-preserved monuments of ancient Rome and continues to inspire architects and engineers around the globe.

Beyond its historical and religious significance, Rome is also a city of vibrant neighborhoods, elegant piazzas, and romantic fountains. The Spanish Steps offer a perfect spot to relax and people-watch, while Piazza Navona and Campo de’ Fiori are lively hubs filled with cafes, street performers, and local markets. One of the most enchanting traditions is tossing a coin into the Trevi Fountain, promising a return to this magical city. Rome is also a paradise for food lovers. Its culinary tradition is deeply rooted in simplicity and quality ingredients. Indulge in classic Roman dishes like Cacio e Pepe, Carbonara, and Saltimbocca, or enjoy a slice of authentic Roman pizza with a glass of local wine. Every meal in Rome is a celebration of taste, culture, and hospitality.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
Contact.chris@theannualmeet.com

Academic

Only Registration: € 570
Package A (Registration + 2 nights' Accommodation): € 999
Package B (Registration + 3 nights' Accommodation): € 1125

Business

Only Registration: € 620
Package A (Registration + 2 nights' Accommodation): € 1145
Package B (Registration + 3 nights' Accommodation): € 1999

Student

Student Delegate: € 350
Young Researcher Forum: € 350

Important Dates

Abstract submission opens: June 01, 2025
Registration opens: June 01, 2025
On spot registration: November 03, 2025

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
