Invitation...

Dear Colleagues,

Conference Series LLC welcomes you to attend **12th International Conference on Agriculture and Horticulture** held during **July 09-20, 2018** at **Sydney, Australia** with the theme "**Emerging trends in Agriculture and Horticulture**"

This international meet (Agri Summit 2018) anticipates hundreds of delegates including keynote speakers, Oral presentations by renowned speakers and poster presentations by students besides delegates around the world. This conference perhaps a giant event that creates an ideal platform to share expertise addressing current advancements involved in Agriculture and Horticulture. It will be a wonderful opportunity for all the delegates as it provides an international networking opportunity to collaborate with the world class Agriculture and Horticulture associations.

Agri Summit 2018

- Opportunity to attend the presentations delivered by eminent scientists and business professionals from all over the world.

- Selected contributions will be published in following reputed high impact factor Journals.

  ☞ Agrotechnology
  ☞ Advances in Crop Science and Technology
  ☞ Journal of Fertilizers & Pesticides

Editorial Board Members of Supporting Journals:

Wenke Liu
Chinese Academy of Agricultural Sciences, China

VK Khanna
Central Agricultural University, India

Ali Ghasemzadeh
University Putra Malaysia, Malaysia

AK. Srivastava
National Research Centre for Citrus, India

CO Thoen
Iowa State University, USA

Hongbin Zhang
Texas A&M University, USA

Su Sheng Gan
Cornell University, USA

David B Hannaway
Oregon State University, USA

Mariam B Sticklen
Michigan State University, USA

Tatsuru Masuda
The University of Tokyo, Japan

Russell W Jessup
Texas A&M University, USA

Suresh Kumar
Purdue University, USA

Satinder K Brar
University of Quebec, Canada

Francesco Vinale
National Research Council of Italy, Italy

Subbiah Poopathi
Indian Council of Medical Research, India

Dahlene Fusco
Virology Massachusetts General Hospital, USA

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the conference through submissions of their posters & research abstracts. Also, high quality research contributions describing original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Agriculture and Horticulture are warmly invited for presentations at the conference. The conference memorial contributions of abstracts and posters that address themes & future aspects of the conference related sessions.

- Agriculture Engineering
- Agriculture & Food Security
- Plant Science
- Agricultural Production Systems & Agribusiness
- Bioresources
- Agricultural Biotechnology
- Agriculture and Environment
- Agroforestry & Landscaping
- Livestock Farming & Genetic Engineering
- Agronomy & Crop Science
- Fertilizer and Pesticide
- Soil Science
- Greenhouse & Horticulture
- Rice Research
- Food & Nutrients
- Food Nanotechnology
- Bioenergy & Energy Conservation
- Crop Protection and Awareness
- Natural Resources Management
- Organic farming
- Global Climate Change

Youth Forum

Young Researchers can also participate in this elite congress

Eligibility

Young researcher is a student or learner who got interest in presenting their views and technical skills in Agriculture and Horticulture and other related fields which suits the theme of the congress.

Participants should be below the age of 33 years and not to possess any senior position/ faculty in the field.

Submission

Each individual participant is allowed to submit only one paper.

All submissions must be in English.

The chosen topic must fit into sessions of the congress.

Showcase your research through oral/poster presentations

Program at Glance

Day 1 / July 09, 2018

	Time	Session
Morning	08:00 - 09:00	**Registration /Reception**
	09:00 - 09:15	Inaugural Address
	09:15 - 10:45	Keynote/Plenary
	10:45 - 10:50	Group Photo
	10:50 - 11.00	**Coffee/Tea Break**
	11:00 - 13:00	Agriculture Engineering Agriculture & Food Security Plant Science
	13:00 - 13:30	**Lunch Break**
Evening	13:30 - 15:30	Agricultural Production Systems &Agribusiness Bioresources Agricultural Biotechnology
	15:30 - 15:45	**Coffee/Tea Break**
	15:45 - 17:30	Agriculture and Environment Agroforestry & Landscaping Livestock Farming & Genetic Engineering

Speaker Slots Available

NOTE: Program Shedule is subject to change with final allotment of the speaker slots

Day 2/ July 10, 2018

	Time	Session
	Time	**Session**
	09:00 - 10:00	Keynote/Plenary
	10:00 - 10:15	**Coffee/Tea Break**
	10:15 - 13:00	Fertilizer and Pesticide Soil Science Greenhouse & Horticulture
	13:00 - 13:30	**Lunch Break**
	13:30 - 15:30	Rice Research Food & Nutrients
	15:30 - 15:45	**Coffee/Tea Break**
	15:45 - 17:30	Poster Session
	Closing Ceremony	

Important Dates:

Early bird registration: September 20, 2017

On spot registration: July 09, 2018

City Attractions

About Sydney:

Sydney is the state capital of New South Wales and the most populous city in Australia and Oceania.] Located on Australia's east coast, the metropolis surrounds the world's largest natural harbour and sprawls about 70 km (43.5 mi) on its periphery towards the Blue Mountains to the west, Hawkesbury to the north and Macarthur to the south. Sydney is made up of 658 suburbs, 40 local government areas and 15 contiguous regions. Residents of the city are known as "Sydneysiders". As at June 2016 Sydney's estimated population was 5,005,400.

Sydney the oldest, biggest, and most beautiful of all Australian cities, lies amid a seductive intermingling of land and sea. Glide along the glittering harbor on a ferry, see the white sails of the Opera House gleaming in the sunshine, and admire the graceful arch of the Harbour Bridge and it's hard to imagine this vibrant state capital was once a brutal convict colony. In 1788, it was at Sydney Cove where Captain Arthur Phillip, commander of the First Fleet, established the first British colony in Australia.

Sydney is a coastal basin with the Tasman Sea to the east, the Blue Mountains to the west, the Hawkesbury River to the north, and the Woronora Plateau to the south. The inner-city measures 25 square kilometers (10 square miles), the Greater Sydney region covers 12,367 square kilometers (4,775 square miles), and the city's urban area is 1,687 square kilometers (651 square miles) in size.
