Program Announcement

Venue
Osaka, Japan

Important Dates
Abstract Submission Deadline: May 28, 2019
Early Bird Registration: May 31, 2019
Registration Closes: July 12, 2019
On Spot Registration: July 12, 2019

Accommodation
A large number of rooms have been reserved. Discounted room rates for Agri Summit 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the fields of Cardiology and Medicine.

About Osaka

Japan is a world apart – a cultural Galapagos where a unique civilization blossomed, and today thrives in contrasts of traditional and modern. The Japanese spirit is strong, warm and incredibly welcoming. Japan is a leading nation in scientific research, particularly technology, machinery and biomedical research. Japan leads the world in robotics production. Osaka is the world's 3rd safest city, second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants. Osaka has served as the capital of Japan for centuries, been a port of entry for international exchange. In more modern times, it has been a bastion of commerce and finance, and played a major role in Japan's industrial and economic development. Osaka has a plethora of tourism resources to note a cityscape that has given it the name of a Aqua metropolis. Easily accessible from within Japan and abroad by multimodal transportation networks that feature Japan's only 24-hour airport in the Kansai International Airport, Osaka welcomes around 210 million visitors every year for business, pleasure or what have you.
