About Prague

Prague is the largest capital city in the Czech Republic. Prague is noticed one of the most historical places in the Eastern Europe and historical capital of Bohemia located near to North West of Vltava river .while urban zone area is expected to 2.2 million people. Prague has been a political, cultural and economic center of central Europe complete with a really ironic history. Prague is traditionally one of the cultural centers of Europe, hosting many cultural events. The city played major roles in the Bohemian and Protestant Reformation.

Prague mission is to foster the development of each native and international business inventiveness in Czech. Prague is one of the best tourism improved culture city .it has many world eminent attractions like Prague castle which is symbol of heritage and culture of city and many famous places like oldest bridge called as Charles bridge old town hall with astronomical clock and other historical places like Jewish museum and church of our lady and most important towers of Prague and recreation places like Kampa park ,municipal house , rasanova nabrezi embankment, and one of the modern monument dancing house .Prague climate is very cold climate at winters and little summer season.

Prague could be a destination that forever appears to be fashionable. It's been on the traveller map for a protracted time, and also the crowds show no signs of subsiding. City grasps a special place in my heart not simply because it absolutely was the primary international city with however additionally as a result of its romantic streets, fairy-tale landscapes, aesthete architectures and charming suites.

In Europe Prague city is known as food hubs. Many wine and beer industries are countless value in international market .famous restaurants like Depends on your taste, and what you want to dine by the river: Cafe at Kafka Museum, Bella Vida, Lavka, Restaurants on boats etc
