International Conference on

Agriculture and Plant Science

September 17-18, 2020 | Osaka, Japan

Welcome to Agriculture 2020

We look forward to see researchers from all around the International Conference On Agriculture 2020 during September 17-18, 2020 at the delightful venue of Osaka, Japan. Agriculture 2020 sum-mit is the premier international forum to present and dis-cuss progress, re-search, development and application of the major topics re-lated to Renewable Advanced Materials & Nanotechnology.

The 2020 edition of the summit will of-fer high quality and relevant research ses-sion, poster session, workshop, ex-hibi-tion, panel discussion etc. for the better understanding of the subject. The con-ference agenda has been prepared by the scientific committee to enable the exchange of ideas and to expand net-work with leading experts and re-search-ers during the summit.

Agriculture 2020 will be a great meet-ing point for sharing the latest research papers of academic and industrial study as well as to experience the matchless environment of Osaka, Japan which has been known for its artistic, cultural as well as scientific developments.

We look forward to your participation for Agriculture 2020 summit at Osaka, Japan.

Why to join the summit

- Meet Experts & Influencers
- Networking Opportunities
- Learning In a global Space
- Added Research Value
- Investment in Knowledge for future

About Osaka

Japan, with a population of approximately 126 million, is an island nation in the Pacific Ocean with high rise filled cities, Imperial Palaces, Mountainous, National Parks and thousands of Shrines and Temples. Osaka was one time the capital of Japan. The site of the palace is maintained as a park, located south of the current Osaka Castle. The Osaka Kaiyukan Aquarium is the second largest aquarium in the world, and one of Osaka's most popular tourist destinations. The cherry blossom is the national symbol of Japan. The trees flower for two weeks, during a period known as "Hanami. September is the best time to visit Osaka. Some of the major attractions of this city are Osaka castle, Dotonbari Universal studios, Osaka Aquarium Kaliyukan and Osaka Castle park.
