4th INTERNATIONAL CONFERENCE ON AGRICULTURE, FOOD AND AQUA

August 30, 2021

Sustainable agriculture with Aquatic biodiversity conservation

WEBINAR

ME Conferences cordially welcomes all the participants to its most awaited webinar "4th international conference on Agriculture, Food and Aqua", to analyse the best research advancements and sustainability in agro and aquaculture.

AGRICULTURE-2021 expects to assemble academics, specialists, exploration researchers, and many others to share their research experience and talks on all aspects of their scientific work which strive for a good agro-aqua future. The whole webinar includes online gathering of keynotes, speaker's, young research talks, oral/ poster presentations, networking, and additional advantages which is a great platform to meet experts from all around the world.

- **The main motto is to update skills, enhance the knowledge base, and networking through the virtual platform.**
- **During the period of travel restrictions and lockdown! It's better to shift online.**
- **Join our webinar to share and gain knowledge on Agri-Food and Aqua.**
