LASER PHOTONICS 2019

European Meet on

LASER, OPTICS & PHOTONICS

October 18-19, 2019 | Paris, France

https://laser.conferenceseries.com

Invitation

Dear Collegues,

Conference Series LLC Ltd. is delighted to welcome you to Paris, France for Laser Photonics 2019.

The conference will focus on “Exploring the Innovations and Advancement of Laser, Optics & Photonics’’. We are confident that you will enjoy the scientific sessions of this upcoming conference.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Laser Photonics Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Paris, France this October

Sincerely,
Laser Photonics 2019
Organizing Committee

What is Laser Photonics 2019 ?

Laser Photonics 2019 October 18-19, 2019 in Paris, France.

Theme of the Conference is ''Exploring the Innovations and Advancement of Laser, Optics & Photonics.''

Conference Series is esteemed to invite you to join the European Meet on Laser, Optics & Photonics 2019 which will be held October 18-19, 2019 at Paris, France. Which includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions.

The Committee is looking forward to organize an remarkable meeting with new and interesting sessions and to meet new people where one can share one's subject and passion. At Laser Photonics 2019 one can acquire new ideas, technologies that will be very useful for expanding the knowledge in the concerned field and propagating the new concepts to improve oneself and also our professional career.

In the present scenario the Optics and Laser systems are found all over the place. Billions of dollars spent on research and development; with increasing number of applications covering all the medical, industry, military/weaponry, communication and technology. Furthermore, the Lasers and Optics technologies create everyday consumer products such as printers, displays, discs, cameras and eyeglasses and the optical fibre is crucial to telecommunications. To develop both academia and industrial research We would like to invite all the members/exhibitors across the globe to join the conferences under one roof to discuss the latest advancements and Innovations in the field of Laser, Optics and Photonics.

The Laser Photonics 2019 Conference in Paris will be also be common platform to experience B2B Meetings, Panel Discussions, Q&A sessions, Industry expert interactions,

Roundtable meetings, Best Poster awards, Best Oral presentation awards, Young Researcher Forums (YRF), e-Poster presentations, Video presentations by the experts from both Industry & Academic. The Laser Photonics 2019 will feature on different tracks cover both academics and Industrial aspects. Around 45 countries are participating to hear latest researchers and to brand their products by exhibitions.

“Exploring the Innovations and Advancement of Laser, Optics & Photonics’’ In the 20th century Optics research is creating a huge impact on the nation developing advanced technologies and using in different applications.

So be a part of the team which shares the same vision and provides a prism of possibilities for the future. Join us at Prague in Laser Photonics 2019.

Who are Attending

Laser Photonics 2019 conference gives a platform to globalize the research by connecting a dialogue between industries and academic organizations and knowledge transfer from research to industry. European Meet on Laser, Optics & Photonics aims in proclaiming the knowledge and share new ideas amongst the professionals, industrialists and students from research areas of Optics, Photonics and all the related disciplines to share their research experiences and indulge in interactive discussions and special sessions at the Laser Photonics 2019 Conferences.

Major Sessions

3D Laser Triangulation
Application of Lasers and photonics in Industries
Biophotonics
Fiber Optic Lasers
Laser absorption Spectroscopy
Laser communications
Laser detectors
Laser Photochemistry
Micro Photonics
Nano Photonics
Optical Imaging and Sensing
Optics in Astronomy and Astrophysics
Trending technologies in Photonics and Lasers
Virtual world of Photonics

Supporting Journals

Journal of Lasers, Optics & Photonics
Journal of Material Sciences & Engineering
Journal of Electrical & Electronic Systems

Host City

Paris is the capital city of France normally known as the city of lights. Paris is a world-renowned visitor goal with add up to populace of around 2.2 million and a multicultural center point in the European district. Paris is the second biggest metropolitan territory in the Europe sharing one fifth of the aggregate European populace. Paris has set up itself as a world-well known goal of visitors, expressions, culture, theory and science. Paris is notable for its design heavenly, present day city arranging, parks, landmarks, exquisite food, and exhibition halls. The stream of Seine separates the city into two sections and is acclaimed for the voyage during the time drawing in a large number of outside travelers.

By economy, France positioned world's ninth and Europe's second biggest economy as far as acquiring power equality. Paris is the center point to 29, among world fortune 500 organizations. The significant economy depends on trade, benefit industry, developments and transportation industry.

Paris is considered as the social capital of the world with a maritime atmosphere. Amid summer Paris is warm and winter is cool with a direct precipitation in entire years make the atmosphere exceptionally lovely. The most alluring spot of Paris is Eiffel Tower, Louver historical center, Musée d'Orsay, Champs-Élysées, Arch de trump and so forth. Real economy produced from tourism segment drawing in around 85 million of traveller for each year. Delightful French scenes, various culture and tremendous view make the guests delightful.

Registrations

Chose your category of registration based on your profile and specialization.
Visit conference website for more details on discounts and offers.

Sponsorship and Exposure

Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

Gold

- Two complimentary congress registrations
- One corporate sponsored workshop slot
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Logo recognition on congress website sponsorship page
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items

Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
- Logo recognition on congress website sponsorship page
- Color Advertisement in Congress souvenir
- Inclusion of your company's leaflet/insert in the congress delegate bags
- An exclusive online promotion on all our social Networking Sites
- Shape and raise your corporate image through logo branding
- Press Release on behalf of your company

Tentative Agenda

Day 1 / October 18, 2019

Time	Session
08:00 - 09:00	**Registration /Reception**
09:00 - 09:15	Inaugural Address
09:15 - 10:45	**Keynote/Plenary Talk no: 3**
10:45 - 10:50	**Group Photo**
10:50 - 11.00	**Coffee/Tea Break**
11:00 - 13:00	Optics And Photonics For Energy And The Environment
13:00 - 13:30	**Lunch Break**
13:30 - 15:30	Emerging Fields In Photonics
15:30 - 15:45	**Coffee/Tea Break**
15:45 - 17:30	Panal Discussions

Day 2 / October 19, 2019

Time	Session
09:00 - 10:00	**Keynote/Plenary Talk no: 2**
10:00 - 10:15	Coffee/Tea Break
10:15 - 13:00	**Laser Photonics**
13:00 - 13:30	**Lunch Break**
13:30 - 15:30	**Latest Innovation In Laser and Photonics**
15:30 - 15:45	**Coffee/Tea Break**

Speaker Slots Available

Note: Program Schedule is subject to change with final allotment of the speaker slots
