Venue & Hospitality

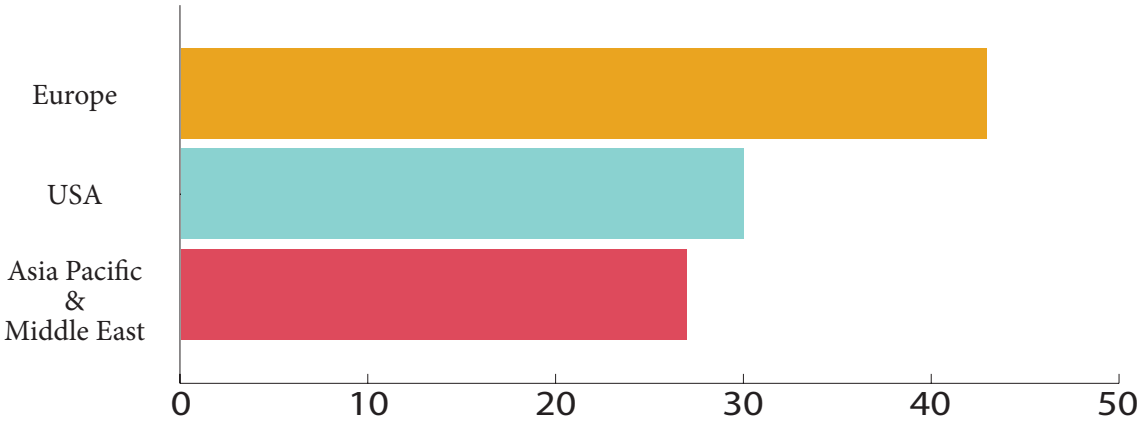

Osaka is a designated city in the Kansai region of Honshu in Japan. It is the capital city of Osaka Prefecture and the largest component of the Keihanshin Metropolitan Area, the second-largest metropolitan area in Japan. Famous landmarks in Osaka include Osaka Castle, which played a pivotal role in the Siege of Osaka, and Shitenno-ji, the oldest Buddhist temple in Japan. The Tempozan Ferris Wheel is one of the largest such attractions in Asia, standing more than 112 meters tall and with a diameter spanning 100 meters. Osaka conferences play a crucial role in the promotion of scientific data and ideas around the world. There are also associations that work in the management of medical care for children and adults of any metabolic disorder. It can be considered as a reasonable means for the migration of important knowledge about research and novel advances throughout the world.
