19th International Conference on

ALLERGY AND CLINICAL IMMUNOLOGY

SEPTEMBER 12-13, 2024 PARIS, FRANCE

Advancing Allergy and Immunology: Integrating Science, Clinical Practice, and Innovation

allergy.immunologyconferences.org

WELCOME MESSAGE

ALLERGY 2024

We are delighted to extend our heartfelt welcome to the 19th International Conference on Allergy and Clinical Immunology, an event that serves as a beacon of knowledge, innovation, and collaboration in Allergy and Immunology. It gives us immense pleasure to host this gathering of brilliant minds, thought leaders, and experts from around the globe.

Allergy 2024 conference welcomes delegates and participants from across the globe to join us for the 19th International Conference on Allergy and Clinical Immunology, taking place on September 12-13, 2024 at Paris, France [Hybrid Event]. This conference will be a platform to explore the theme "From Basic Immune Understanding to Latest Immunology Progressions".

Conference Highlights

- Immunopathogenesis of Allergic Diseases
- Novel Therapeutic Approaches for Allergic Disorders
- Mechanisms of Immunodeficiency Diseases
- Immunomodulation in Allergy Management
- Advances in Molecular Immunology
- Allergen Identification and Characterization
- Immunotherapy for Allergic Conditions
- Immunogenetics and Allergic Susceptibility
- Role of Microbiota in Allergic Disorders
- Immunological Mechanisms in Autoimmune Diseases
- Biomarkers for Allergy Diagnosis and Treatment
- Immunological Basis of Food Allergy
- Immune Responses to Vaccination
- Inflammatory Pathways in Asthma and Allergic Rhinitis
- Immunological Aspects of Drug Allergies
- Case Studies in Allergy Diagnosis and Management
- Clinical Trials and Translational Research in Allergy & Immunology
- Epidemiology and Population Studies in Allergic Diseases
- Digital Health and Telemedicine in Allergy Care

Who Attends

- Allergists
- Immunologists
- Clinical Immunologists
- Researchers in Allergy and Immunology
- Physicians specializing in Allergy and Immunology
- Immunology Laboratory Professionals
- Immunotherapy Specialists
- Pharmaceutical Professionals
- Academicians and Educators in Allergy and Immunology
- Students pursuing studies in Allergy and Immunology

[Supporting Journals]

Selected contributions will be published in the following supporting international Journals:

Immunogenetics: Open Access
https://www.longdom.org/immunogenetics.html

Journal of Clinical and Cellular Immunology
https://www.longdom.org/clinical-cellular-immunology.html

Journal of Allergy & Therapy
https://www.walshmedicalmedia.com/allergy-therapy.html

REMINISCENCE OF Previous Years

Become a member and join our conference to globalize Allergy and Immunology researches
