B2B Meetings

Dear Attendees,

We are glad to announce the 12th International Conference on Allergy, Asthma & Clinical Immunologyto be held in Moscow, Russia from October 01-02, 2018 organized by Conference Series llc LTD, UK in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Our Annual Meeting (Allergy-Clinical Immunology 2018) is both a high quality meeting and a platform for discussion amongst the Allergy interest groups, Immunologist, Research Scholars, Doctors, and Students and provides an informal networking opportunity to form new relationships, and strengthen existing ones.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the 12th International Conference on Allergy, Asthma & Clinical Immunology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Moscow this October 2018 .

Sincerely,
Allergy-Clinical Immunology 2018

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published inrespective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Allergy-Clinical Immunology 2018 Conference website is attracting 25000+ Allergists, Immunologists & Asthma specialist online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members get global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Allergy-Clinical Immunology 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Allergy, Asthma, Clinical immunology present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Moscow

Moscow is the capital of Russia and is located in the far west of the country on the river Moskva. Moscow is Russia's largest city and a leading economic and cultural center. The city area is about 30 km in diameter and the population reaches to almost 10 million people. Moscow is located in the middle of the continent, so the temperature is continental, which means hot weather in summer and cold weather in winter. The Kremlin (translated from Greek, the word means «a steep hill») and Red Square are the main Moscow sights, symbols of the whole of Russia.

Moscow Transport:
Public transport is pretty cheap in Moscow, and you can get around by metro (subway), bus, tram, taxi. The most popular and convenient method of travel is the metro. The Moscow Metro dates from the early 1930s and is one of the most-used subway systems in the world. Over 180 Moscow Metro stations, some decorated with artwork and expensive materials, connect the 12 lines that shuttle passengers throughout this huge city. The metro runs from 5.25am to 1am every day. The working hours are extended during some public holidays and celebrations

Russian cuisine:
Russian cuisine is distinctive and unique, and as any other national one, it was formed under the influence of different environmental, social, geographical, economic and historical factors. The main feature of Russian cuisine is considered to be an abundance and variety of products used for cooking. Few traditional Russian dishes are Bliny, Sirniki, Kasha, Pelmeni, Varenniki, Pirog, Borscht, Okroshka etc.

Major industries:
Moscow's major industries include machine building, metalworking, oil refining, publishing, brewing, filmmaking, and the manufacture of machine tools, precision instruments, building materials, automobiles, trucks, aircraft, chemicals, wood and paper products, textiles, clothing, footwear, and soft drinks.

Tourist Attractions:
Moscow Kremlin, Red Square, St Basil's Cathedral, Bolshoi Theatre, Alexander's Gardens, Moscow metro, Victory Park, Christ the Saviour catherdal, Novodevichy convent tour, Novodevichy cemetery, Moscow State University, Sparrow hills, Tretyakov gallery
