Invitation

Dear Colleagues,

Conference Series LLC is delighted to welcome you to Osaka, Japan for the prestigious World Congress on Allergy and Immunotherapy. Allergy Congress 2018 will focus on the theme "Recent Advancements in Hypersensitivity and Immunotherapy". We are confident that you will enjoy the Scientific Program of this upcoming Conference.
We look forward to see you at Osaka, Japan.

With Regards,
Allergy Congress 2018 Operating Committee
Conference Series Conferences

Program Announcement

Accommodation

A large number of rooms have been reserved. Discounted room rates for Allergy Congress 2018 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by Public transportation.

Exhibition and Sponsorship

An Exhibition will be held concurrently with the Congress. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field of Allergy and Immunotherapy.

About Osaka

Japan is a stratovolcanic archipelago consisting of 6,852 islands. The four largest islands are Hokkaido, Honshu, Kyushu and Shikoku, along with the Ryukyu Island Chain, which includes Okinawa. The country is divided into 47 prefectures in 8 regions and has a population of 126 million, the world's tenth largest. The Greater Tokyo Area, which includes Tokyo and several surrounding prefectures, is the world's largest metropolitan area with over 35 million residents and the world's largest urban economy. With a varied and vibrant cultural history dating back to the Late Stone Age, Japan is a living mix of the modern and the traditional. Osaka is Japan's second largest metropolitan area after Tokyo.
