International Conference on

Alzheimer's disease and Dementia

June 22-23, 2020 | PRAGUE, CZECH REPUBLIC

Invitation

Dear Attendees,

Conference Series LLC Ltd welcomes you to attend the International Conference on Alzheimer's disease and Dementia in June 22-23, 2020 | Prague, Czech Republic**.** We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of Alzheimer's disease and Dementia.

Alzheimer's disease 2020 anticipates more than 100 participants around the globe with thought provoking keynote lectures, oral and poster presentations. The attending delegates include editorial board members of related open access journals. This is an excellent opportunity for the delegates from universities, institutes and industries to interact with the world class scientists. The intending participants can con irm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Spread Your Intellectual Insight in Comprehending Alzheimer's disease and Dementia".**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts. Life is full of give and take. Make it count in your professional life. Attend the Alzheimer's disease and Dementia Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level. We look forward to personally welcoming you to PRAGUE THIS JUNE.

Sincerely,

Alzheimer's disease 2020

- Journal of Alzheimer's Disease
- Journal of Alzheimers and Neurodegenerative diseases

ABOUT PRAGUE

WHY PRAGUE ? : DESIGNATED CITY OF CZECH REPUBLIC

Prague is the city capital of the Czech Republic.The 14th largest city in the European Union and Situated on the Vltava river, Prague is home to about 1.3 million people . The city has a temperate oceanic climate, with relatively warm summers and chilly winters . Prague is a political, cultural and economic centre of central Europe complete with a rich history. Prague is classified as an "Alpha −" global city according to GaWC studies. Prague was listed as the fifth most visited European city. A few areas have developed into useful units as the internal city has turned out to be increasingly institutional and business and the external city progressively private and modern. The amazing accommodation of Prague has for quite some time been a well-known decision for meetings and events in Europe.
