About the conference

We are pleased to extend an invitation to you to attend the "The 15th Global Alzheimer's Summit "(Alzheimer 2025), which will take place in Paris, France's beautiful city. Held on June 23-24, 2025, this event offers a special experience, enabling global collaboration under the theme " Global Unity in Alzheimer's: Together for a Cure " through both in-person and virtual participation.

This conference also offers a unique opportunity to engage with leading experts, researchers, and healthcare professionals in the field of Alzheimer's disease. This summit provides a platform for sharing the latest advancements in research, treatment, and care strategies, fostering collaboration across disciplines. Attendees will gain valuable insights into innovative approaches to Alzheimer's prevention, diagnosis, and therapy. The event also offers networking opportunities with global thought leaders, enhancing professional growth and contributing to the collective effort in addressing this critical public health challenge

Theme: "Practices to cure wounds and illness by healing from power of herbs and incantation".

Why to attend the conference

1. Networking Opportunities : Connect with a global network of professionals, including neurologists, psychiatrists, researchers, and healthcare providers. The summit provides a rare chance to collaborate, share ideas, and establish partnerships that can drive your work forward.
2. Expert-Led Sessions : Learn from top experts who will share their knowledge and experience in managing and treating Alzheimer's disease. The sessions will cover a broad range of topics, from molecular biology to patient care, ensuring a comprehensive understanding of the disease.
