Organizing Committee

Alzheimers Congress 2020

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

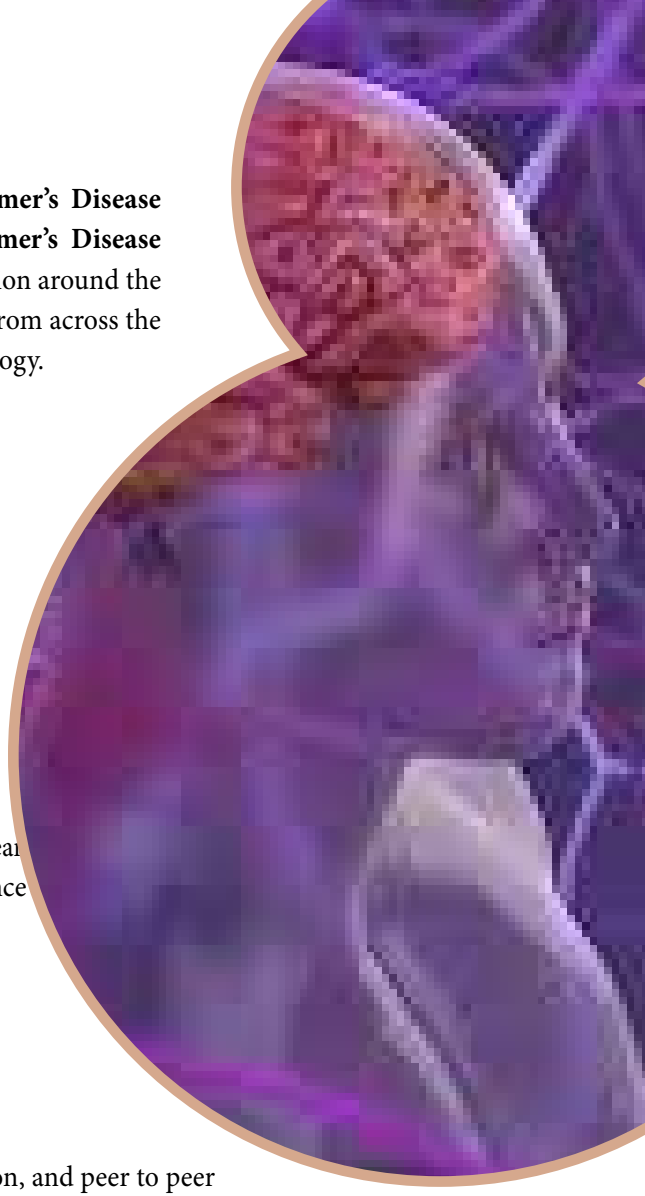

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

The Congress will highlight the discussion around the theme "Innovative Approaches to defeat Alzheimer's Disease and Dementia" by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at Alzheimers Congress 2020. The highlights of the conference includes Neurology.

Alzheimers Congress 2020 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the yea
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Neurology , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Neurology
- Discuss and apply recent research findings related to Neurology and Neurology disorders.
- Reflect on the place of critical distance in Neurology.

Who should attend?

- Neurologists and Directors, Physicians, Neuroscientists, Specialists, Researchers, Healthcare professionals, Professors, Industrial Experts, Neurosurgeons, Psychiatrist, Nutritional Scientists, Lecturers and Students from Academia in the study of Dementia, Students from Academia in the research of Neurology.

Conference Sessions

- Alzheimer's Disease and Dementia
- Vascular Dementia
- Dementia With Lewy Bodies
- Managing Dementia
- Imaging Techniques
- Pathophysiology and Disease Mechanism
- Geriatric and Cognitive Disorder
- Animal model and Translational Medicine
- Current Research in Therapeutic Targets
- Care Practice and Awareness
- Behavioral Problems in Alzheimer's Disease
- Insulin Resistance on the development of Alzheimer's Disease
- Frontotemporal Dementia
- Neurological Diseases
- Neurodegenarative Diseases
- Alzheimer's Disease and Type 2 Diabetes

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

About Bangkok

Bangkok the city capital and the chief port of Thailand. It is the main cosmopolitan city in a nation of communities and towns and is Thailand's social and business focus. Present day Bangkok has experienced touchy development, which the specialists have endeavored to coordinate by methods for a progression of all-inclusive strategies since the 1960s. The downtown area, once encased by a divider, has for quite some time been thickly created. The later extension has spread outward well past the managerial limits into the encompassing farming zones. A few areas have developed into useful units as the internal city has turned out to be increasingly institutional and business and the external city progressively private and modern. The amazing accommodation of Thailand has for quite some time been a well-known decision for meetings and events in Southeast Asia. Its lively capital, Bangkok, is a top universal conference destination, and its top of the line meeting scenes are famous for their exceptional administration.

Bangkok is anything but difficult to get to, gratitude to the new Suvarnabhumi International Airport, opened in 2006, the air terminal handles more than 40 million travelers for each year from most significant urban communities in North America, Asia, and Europe, and associates with the city by means of electric rail, bypassing Bangkok's congested roads. The Don Mueang International Airport, situated around 30 minutes north of the city, likewise fills in as a noteworthy Bangkok travel center.
