Hong Kong, China

Hong Kong has transformed itself from a little town in the 1800s into a dynamic and exciting 21st-century cosmopolitan city. It is an urban seaside city with an iconic skyline where one can find a unique blend in both eastern and western societies. It gratefully declares itself to be 'Asia's World City' and remains a key door to China.

Hong Kong is without a doubt one of the busiest intersections amongst China and whatever is left of the world for business voyagers. Aside from gatherings and meetings, it is likewise the best visitor goal in Asia with its draw of shopping and plenty of feasting choices. Though, Asia's worldwide city is something other than get-togethers, nourishment, and shopping. Its geology and a special mix of East and West introduce a smorgasbord of Chinese conventions and traditions, amusement parks, neighborhood food and verdant wide open to excite the guest for a considerable length of time.

It was viewed as the world's best goal for relaxation guests and gatherings in 2012. Hong Kong was voted the "Best FIT Destination of the Year" in the China Travel and Meeting Industry Awards 2012 sorted out by travel magazine Travel Weekly. It was also termed as the "Best City for MICE Events" in the 2012 Industry Awards composed by CEI Asia Pacific magazine.
