14th World Summit on

Alzheimer's Disease, Dementia Care Research and Awareness

August 31-September 01, 2018 | Boston, USA

Dear Friends!!

We are glad to announce the **14th World Summit on Alzheimer's disease, Dementia Care Research and Awareness** to be held in Boston, USA from August 31-September 01, 2018 organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all Neurology, Neuroscience, Neuropathology, Neuropsychiatry, Rehabilitation, Neurosurgery and related departments from Academia, Researchers, innovator, Regulators – coming together to present and discuss current topics in Alzheimer's Disease and Dementia, Neurodegenerative diseases and Neurological disorders, Causes, Diagnosis and Prevention, Alzheimer's Disease Pathogenesis and Mechanisms, Dementia Care Practice and Research, Vascular dementia, Genetics of dementia, Genetic variants and mutations, problems with memory, thinking and behavior, Psychological problems, Clinical Trials and Interventions, Alternative therapies and Talking therapies, Person-centred care, Patient and public involvement, Drug treatments, Ageing and Gerontology, Geriatrics Care Practice and Awareness and will be available to discuss with you the latest issues and trends in Overcoming Milestones towards Neurology, Cognitive Neuroscience and Artificial Intelligence, Neuro-immunology and Neurosurgery, Neurological Biomarkers, Neuro-Ophthalmology, Neuro-Oncology, Neuropharmacology and Neurochemistry ensuring the future of Alzheimer's Disease and Dementia research and awareness under the theme "**Emerging Concepts, Progressions and Awareness in Alzheimer's Disease and Dementia**". As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Alzheimer's Summit 2018 to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Boston, USA..

Sincerely,

Alzheimer's Summit 2018 | Organizing Committee

About Conference

Purpose

14th World Summit onAlzheimer's Disease, Dementia Care Research and Awareness is an arena for interdisciplinary exchange among professionals in the fields of Neurology, Neurosurgery and Neuroscience.

Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through provoking Keynote lectures, Plenary sessions, Symposiums, International Workshops, Oral and Poster presentations and with additional Scientific sessions

Bringing together the world's scientific experts to catalyse and advance scientific knowledge about Neurosurgery, Neurology, Neuroscience, Alternative therapies and Talking therapy and Psychotherapy techniques present the most recent research findings, and promote and enhance scientific collaborations around the world

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives:

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Neurology and Neuroscience.
- Alzheimer's Disease and Dementia Care, related Neurodegenerative diseases and neurological disorders
- Discuss and apply recent research findings related to Neuroscience.
- Reflect on the place of critical distance in Neurology, Neuroscience, Alzheimer's Disease and Dementia and related Neurodegenerative diseases and Neurological disorders.

Alzheimer's Summit 2018 salient features:

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers
- Learn powerful tools to improve the functioning and well-eing of your clients

About Conference

About hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by crossref

Who should attend?

14th World Summit on Alzheimer's Disease, Dementia Care Research and Awareness is exclusively designed for University Professors, Scientists, Neurologists, Psychiatrists, Nurses, Therapists, Pharmacists, Neuropharmacologists, Neurosurgeons, Neuroscientists, Stroke Specialists, Neuroradiologists, Neuroscientists, Nurse Practitioners, Researchers, Academicians, Clinicians, Physicians, Private practitioners, Early Career Scholars, Students, Health Care and Medical professionals along with Industries and others engaged in endeavors related to Neurological disorders, Neurology, Pharmaceutical research and business, Educators, Parents, Curriculum, Staff Developers, Business Entrepreneurs, Neurosurgeons, Neuroscientists, Physicians, Technologists and many more....

Supporting Journals:

- Journal of Alzheimers Disease & Parkinsonism
- Journal of Neurological Disorders
- Journal of Neurology & Neurophysiology

About Conference

Scientific Sessions: Alzheimer's Summit 2018

- Alzheimer's Disease Causes, Diagnosis and Prevention
- Alzheimer's Disease Pathogenesis and Mechanisms
- Clinical Trials on Alzheimer's disease
- Dementia Care Practice and Research
- Vascular Dementia and Stages
- Ageing and Gerontology
- Geriatrics Care Practice and Awareness
- Cognitive Neuroscience and Artificial Intelligence
- Neurodegeneration and Genetics
- Neuro-Immunology and Neuroinfectioon
- Neuro-Ophthalmology
- Neuro-Oncology and Brain Tumors
- Neuropharmacology and Neurochemistry
- Neurology and Neurosurgery
- Neuroimaging and Biomarkers
- Neuro Palliative Care and Hospice
- Nursing Interventions, Care and Outcomes
- Novel Drugs and Therapeutic Targets

International Membership

International membership program, initiated to accomplish the vision of making Healthcare & Scientific Information which enables academic and research institutions, societies, groups, funding organizations and corporations to actively participate of its representatives and students in International conferences. Membership is now available to Global Universities, Colleges, Scientific Associations and Societies, Organizations, Corporate Companies, Medical Centers and Research Institutes etc.

- **Individual Membership** - for Scientists, Researchers, Educators and Industry professionals
- **Institutional Membership** - for Universities, Research/ Educational institutes, Societies and Associations
- **Corporate Membership** - for Industries, Companies and Corporations
- **Annual Membership:** Membership holder can attend one conference with a complimentary Registration applicable for Package-A category (Registration fee + 2 Nights Accommodation)
- **Three-year Membership:** Membership holder can attend up to 33 conferences Across the Globe with a complimentary Registration applicable for Package-A category.
- **Five-year membership:** Membership holder can attend up to 55 conferences Across the Globe with a complimentary Registration applicable for Package-A category

PROGRAM GLANCE

	Day 1/ August 31, 2018	
Morning	08:00-09:00	**Registrations & Opening Ceremony**
	09:00-09:45	Keynote Forum 1
	09:45-10:30	Keynote Forum 2
	10:30-10:35	Group Photo@Conference Hall
	10:35-10:50	**Morning Coffee/Tea Break & Networking**
	10:50-11:40	International Workshop 1
		Speaker Sessions@Conference Hall
	11:40-12:15	Session on: Epidemiology and risk factors of Alzhemer's disease
	12:15-12:50	Session on: Tau pathology and its mechanism
Evening	12:50-13:20	**Afternoon Lunch Break**
		Speaker Sessions@Conference Hall
	13:20-13:55	Session on: Clinical trails on Alzheimers disease
	13:55-14:30	Session on: Vascular dementia and Stroke
	14:30-15:05	Session on: Neurological Disorders and Therapeutics
	15:05-15:40	Session on: Dementia Care Practice and Research
	15:40-15:55	**Evening Coffee/Tea Break & Networking**
	15:55-16:30	International Workshop 2
		Speaker Sessions@Conference Hall
	16:30-17:05	Session on: Cognitive Neuroscience and Artificial Intelligence
	17:05-17:35	Session on: Neurodegeneration and Genetics
		Panel Discussion

	Day 2/ September 01, 2018	
Morning	09:15-10:00	Keynote Forum 3
	10:00-10:35	Keynote Forum 4
		Group Photo@Conference Hall 10:35-11:15
	11:15-11:30	Morning Coffee/Tea Break & Networking
	11:30-12:20	International Workshop #1
	11:30-12:20	International Workshop #1
		Speaker Sessions@Conference Hall
	12:20-12:50	Session on: Rehabilitation Therapies for Alzheimers Disease
	12:50-01:25	Session on: Down syndrome and Genetics
Evening	01:25-02:00	**Afternoon Lunch Break**
		Speaker Sessions@Conference Hall
	14:00-14:35	Session on: Psychosocial Research in Dementia
	14:35-15:10	Session on: Neurology and Psychiatry in Geriatrics
	15:10-15:45	Session on: Biomarkers of Alzheimer's disease
	15:45-16:00	Session on: Neuro-Oncology and Tumour markers
	16:00-16:30	**Evening Coffee/Tea Break & Networking**
	04:00-04:30	Poster Presentations
	16:30 -18:00	Young Research Forum (YRF)
		Session on: Neurology and Neurosurgery
		Video/Virtual Presentations
		Awards and Closing Ceremony

About Conference

Maximize Your Investment | Promote Your Presence | Increase Traffic to Your Booth.

Book Your Booth Today! Why Exhibit?

Exhibition is perceived for its high quality and remarkable record of pulling consequently exhibitors a seemingly endless amount of time. The occasion likewise conveys a great deal of weight locally and globally and offers remarkable marking presentation in addition to the opportunity to trade thoughts, launch new products and feature best in class administrations and innovations, grow new contacts and work together in a gigantic development market.

Alzheimer's Disease, Dementia Care Research and Awareness summit will be held at Boston, USA. Exhibiting at Alzheimer's Summit 2018 presents an unrivalled opportunity for companies to establish or further their business interests in one of the world's most dynamic Neurological, Psychological, Pharmaceutical & Research Technology markets. The purpose of the exhibit program is to further the education of scientists working in the fields. They must emphasize instruments, products, or services for use in teaching or research, books or other publications in scientific fields of relevance to attendees, or directly convey scientific research findings in areas of Brain science and Pharmaceuticals.

For two days, less than one roof, the Exhibit Hall delivers a unique opportunity for exhibitors to connect with thousands in the Neuroscience, Neurology, Neuroscience, Psychology, Psychiatry and Pharmaceutical market who seeks products, resources, book publications and information relevant to their work within the fields.

TOP REASONS for visiting the Exhibition Hall

- Networking
- Picking up product information
- Reviewing resources for patients
- Learning about new products
- Discuss Business with Global experts from around the world
- Develop relationships with new prospects and strengthen ties with existing clients
- Raise your company's profile and stay ahead of your competition
- Showcase your latest products and technologies in a high demand region
- Explore business opportunities and meet new partners in dynamic surroundings
- Capitalise on this matchless platform to create sales leads and make lasting relationships with clients
- Meet your customers face-to-face
- Take advantage of discounted conference registration for your company staff.

What do attendees look for?

- Pharmaceuticals
- Diagnostic & Equipment
- Publications, Education and Professional Placement
- Academic Research
- New Technology
- Technology Products / Virtual Reality Systems / Biofeedback Equipment
- Publishers and Test Publishers
- Products and Tools to Help Them as They Begin to Establish Their Career

TESTIMONIALS FROM PAST SPEAKERS

It was a fantastic meeting. Lectures were very illuminating and exciting. I think all the participants had a great time. Thank you giving me this opportunity to be part of this exciting conference.

Harish C.Pant, USA

I did enjoy the conference and meeting others from around the world was a great experience as well

Ann Marie Gillie, Canada

I have thoroughly enjoyed the conference, and I am glad that I have been able to attend and contribute to its success. Presentations were interesting and well prepared. Participants were knowledgeable and active. Overall, it was an interesting and successful conference

Vahe Poghosyan, KSA

It was a great pleasure for me to attend the conference. It was perfectly organized, I met many nice people and listen to many valuable talks.

Elzbieta Jarzebowska, Poland

We would like to thank the Organizing Committee for the outstanding event. It was just excellent in all aspects. Congratulations.

Mauricio Laerte, Brazil

This Conference was one of the best and even brilliant I have ever attended. There was very nice to have a mix between theory, basic science, sharing best practices and practical recommendations. The quality of the panels was outstanding, and I think you arranged a great cross-section of topics!

Sergey Suchkov, Russia

"This conferences is really timely and informed about symptoms, diagnosis and modern treatment of neuro patients".

Heinz Reichmann, Germany

"Your opportunities will include not only excellent science, but provide practical applications of knowledge to advance the care of your patient with cognitive, behavioral and functional decline"

Eric G Tangalos, USA

"The priority aim of this conference is also be to deepen our understanding around the interrelationship of addictive disorder between each other, as well as with mental health, Addiction Psychiatry, family, community and culture"

Norman S Miller, USA

"The meeting went well and lot of questions today! I will attend the meeting again!

Sha MI Biogen, USA

"I wish to welcome all researchers from the fields of basic neuroscience, neurology, and neurosurgery to contribute with your valuable expertise, and to stimulate interdisciplinary endeavor"

Arvid Carlsson, UAE

"Conferences like this one may help to speed up the development of effective therapies for neurodegenerative diseases like Alzheimer's disease"

Andrew V Schally, USA

"As Mayor of London I am delighted to welcome you to the Neurology Conferences organized by Conference Series LLC Ltd".

Boris Johnson, UK

"Thank you for a well-organized Brain Disorders Conference"

Hans Von Holst, Sweden

About City

TOURISTS ATTRACTIONS

Boston is one of the oldest city in United States founded in 1630, and the capital city of Massachusetts, it is a fine metropolitan city that covers the census-estimated 4.8 million people in 2016 and ranking as the tenth-largest such area in the country. It is occupied by many colleges and universities which makes it an international centre of higher education, Boston is surrounded by the "Greater Boston" region and is contiguously bordered by the cities and towns of Winthrop, Revere, Chelsea, Everett, Somerville, Cambridge, Watertown, Newton, Brookline, Needham, Dedham, Canton, Milton, and Quincy.

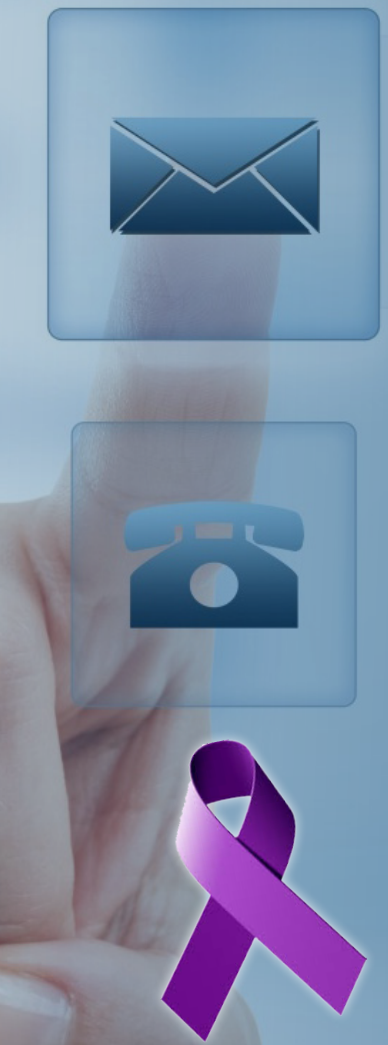

Boston education is highly ranked and some of the most renowned and top universities in the world are located near Boston. Three universities with a major presence in the city, Harvard, MIT, and Tufts, are located just outside of Boston in the cities of Cambridge and Somerville, known as the Brainpower Triangle.

About its clime, summers are typically warm and humid, while winters are cold and stormy, with occasional periods of heavy snow, spring and fall are usually cool to mild. Fog is fairly common, particularly in spring and early summer. While coming to its economy, Boston is among the top 30 most economically powerful cities in the world. Encompassing $363 billion, the Greater Boston metropolitan area has the sixth-largest economy in the country and 12th-largest in the world.

The city of Boston has got many spots to visit are Freedom tail, boston public garden, museums, parks, sights and landmarks and water sports, And visiting nearby cities (a big bonus in Boston, since New York is right next door). And there is always some sort of festival; after all, there are 250,000 students in this buzzing city. Whenever you visit Boston, it really does have something for everyone and certainly Boston has it all.
