Best Poster Award

- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster
- Judges will even evaluate the student's enthusiasm towards their study, interest and knowledge in the area of their research
- The winners will be announced at the closing ceremony of the conference. The decision of the winner will be withdrawn if the winner/winners is/are not present at the time of announcement
- Apart from the judging time you may also be present at the poster to share your research with interested delegates

Young Researchers Forum

- Present your research through oral presentations
- Learn about career development and the latest research tools and technologies in your field
- This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research
- Develop a foundation for collaboration among young researchers
- The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe
- Interact and share ideas with both peers and mentors

American Dental Education Conference Glimpses

About Atlanta, Georgia, USA

Atlanta has been dubbed everything from the "capital of the new South" and "the next international city" to "the best place to do business". Atlanta, the capital of Georgia and the most populous city in the U.S. state of Georgia. Atlanta rated a "beta(+)" world city that exerts a medium impact upon commerce, finance, research, technology, education, media, art, and entertainment. It ranks 40th among world cities and 8th in the nation with a gross domestic product.

Atlanta is a city located extremely with dynamic culture and a great place to visit. Atlanta attracts many touring Broadway acts, concerts, shows, and exhibitions catering to a variety of interests. Atlanta is home to significant art museums and institutions. It has major role in the development of various genres of American music at different points in the city's history. The prestige of hosting the 1996 Summer Olympic Games and the energy of young upwardly mobile types who have migrated to the city in droves -- Atlanta is on fire, and this time it's a good thing. From world-class restaurants and a wealth of cultural attractions to a hip nightlife and sporting events galore, the city is cosmopolitan in every sense of the word.

Atlanta has also managed to maintain its historic character. Visit the Atlanta History Center or the Martin Luther King Jr. Historical Site, a moving tribute to an American icon. Browse through the former home of famous author Margaret Mitchell or pop into the Jimmy Carter Library and Museum for details on the life and times of the former president and his family. Whether you choose modern urban activities or old southern pleasures, Atlanta will not disappoint.
