Invitation

Dear Attendees,

We are delightful to welcome you to the **30th Annual American Dentistry Congress** which is scheduled in the month of **March 28-29, 2019** at **Orlando, USA** organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

American Dentistry 2019 invites people all over the world invariable of age to discuss the wonders happening in the ever-growing field of Dentistry. This conference is an acting stage for business professionals, Doctors, Dental experts, Directors, academicians, technicians and mainly students to showcase their innovations and new ideas.

The main theme of the conference is "**Inclinating the possibilities in the arena of Dentistry**" which will ignite young minds in searching a novel approach towards the marvels of sustainable future.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

We look forward to personally welcoming you to **Orlando** this **March**.

Sincerely,

American Dentistry 2019 | Organizing Committee

Market Analysis

Global Dental Market is expected to be more than US$ 50 Billion market by 2020; growing with double digit CAGR. Dental Equipment has the highest market share among all the 7 segments (Preventive Dental Care Market, Dental Restoratives Market, Dental Prosthetics Market, Dental Implants Market, Dental Orthodontics Market, Dental Endodontic Market and Dental Equipment Market). The global dental equipment market has been estimated at USD 6.2 billion in 2016 and is projected to reach USD 8.5 billion by 2021, at a CAGR of 6.5 % during the forecast period from 2016 to 2021.

Growth in this market can primarily be attributed to factors such as the rapid growth in aging population, increasing demand for cosmetic dentistry, and growing incidence of dental caries and other periodontal diseases.
