SPEAKER TESTIMONIALS

It was a great pleasure for me to attend the conference. It was perfectly organized, I met many nice people and listen to many valuable talks.

Elzbieta Jarzebowska

This Conference was one of the best and even brilliant I have ever attended. There was very nice to have a mix between theory, basic science, sharing best practices and practical recommendations. The quality of the panels was outstanding, and I think you arranged a great cross-section of topics!

Sergey Suchkov
M Sechenov First Moscow State Medical University, Russia

I was very impressed by the international scope of participants at the Chicago meeting and the quality of work presented. It speaks very highly of the organizers of this meeting as it is no small task to get medical researchers from around the world to gather at a single site for an exchange of ideas. The accommodations were wonderful and the noontime luncheons delicious. Congratulations on an exceptional conference.
