http://pathology.conferenceseries.com/

Invitation

Chicago
USA
DECEMBER 03-04, 2018

Dear Attendees,

We are glad to announce the **15th International CME Congress on American Pathology and Oncology Research** to be held in **Chicago, USA during December 03-04, 2018** organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all stake holders of the ecosystem – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics Pathology, Molecular Pathology, Clinical Pathology, Dermatopathology, Renal Pathology and Urinary track Pathology, Anatomical Pathology, Surgical Pathology, Oncology, Clinical Oncology, Pediatric Oncology, Radiation Oncology, Hematology Oncology, Oncology Research, Cancer Diagnosis, Oncogenomics, Cancer stem cells, Cancer Pharmacology, Cancer Biomarkers, Cancer Therapy, Chemotherapy and will be available to discuss with you the latest issues and trends in **"Shaping the Future for Innovations in Pathology and Oncology Research"**

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Pathology Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to **Chicago** this December.

Sincerely,
Pathology and Oncology Research 2018
Organizing Committee

About Chicago

Chicago
USA
DECEMBER 03-04, **2018**

Chicago has the third-largest gross metropolitan product in the United States—about $658.6 billion according to 2014–2016 estimates. The city has also been rated as having the most balanced economy in the United States, due to its high level of diversification. In 2007, Chicago was named the fourth-most important business center in the world in the MasterCard Worldwide Centers of Commerce Index. Additionally, the Chicago metropolitan area recorded the greatest number of new or expanded corporate facilities in the United States for calendar year 2014. The Chicago metropolitan area has the third-largest science and engineering work force of any metropolitan area in the nation. In 2009 Chicago placed 9th on the UBS list of the world's richest cities. Chicago was the base of commercial operations for industrialists John Crerar, John Whitfield Bunn, Richard Teller Crane, Marshall Field, John Farwell, Julius Rosenwald and many other commercial visionaries who laid the foundation for Midwestern and global industry.
