ABOUT NEW YORK

New York is a state in the Northeastern United States and is the 27th-most extensive, fourth-most populous and seventh-most densely populated U.S. state. New York is bordered by New Jersey and Pennsylvania to the south and Connecticut, Massachusetts, and Vermont to the east. The state has a maritime border in the Atlantic Ocean with Rhode Island, east of Long Island, as well as an international border with the Canadian provinces of Quebec to the north and Ontario to the west and north. The state of New York, with an estimated 19.8 million residents in 2015, is often referred to as New York State to distinguish it from New York City, the state's most populous city and its economic hub.

New York City has been offering a wide array of medical, cosmetic, laser and plastic surgery services. In addition to specializing in all areas of adult and Pediatric dermatology, many of the doctors have subspecialty training in their field of expertise. Their facilities provide personalized, conservative, effective and less painful treatments for a variety of skin conditions. Their board certified physicians are collectively fellows of the American Academy of Dermatology, American Society for Laser Medicine and Surgery, American Contact Dermatitis Society, and many other societies. With the special expertise and the unusually broad range of services provided at the state-of-the-art offices, they have been featured in many local and national newspapers and magazines as well as radio and television news programs. They have convenient locations throughout New York and New Jersey. They really continue to improve their procedures and services with the most up-to-date advanced instruments and techniques that the dermatological field offers.
