A large number of rooms have been reserved. Discounted room rates for Analytika 2019 participants are proposed. Only reservations made through the Conference will benefit these rates. The Congress Center can be easily reached by public transportation.

Exhibition and Sponsorship
An Exhibition will be held concurrently with the Conference. The coffee break and lunch areas will be located adjacent to the booths. Thanks to exhibitors from all over the world, attendees will have a complete overview of new findings in the field Mass Spectrometry.

About Malaysia,
Malaysia is a country in Southeast Asia. It is a federation which has 13 states. It is divided into two parts by the South China Sea. Malaysia mainland is on Malay Peninsula. It faces the Straits of Malacca on its west coast and South China Sea on its east coast . Kuala Lumpur on the Malay Peninsula is its capital . This country is multi - ethnic and multi-cultural, with most people being Malay, but there are also Chinese and few Indians .Its official language is Malay written in the Latin alphabet. English is a recognised language and also theofficial language in Sarawak state along with Malay. Tamil and Chinese is also used. There are over 130 other languages spoken in Malaysia. Malaysia is a multi-religious society, and Islam is the largest. It's national sports centre is the Bukit Jalil Sports Complex. Nicol David (squash) and Lee Chong Wei (badminton) are notable athletes from Malaysia and won 12 gold medals in the Commonwealth Games 2010 in India, and broke their Commonwealth Games target.
