About Zurich

The city of Zurich, a global center for banking and finance, lies at the north end of Lake Zurich in northern Switzerland. The picturesque lanes of the central Altstadt (Old Town), on either side of the Limmat River, reflect its pre-medieval history. Waterfront promenades like the Limmatquai follow the river toward the 17th-century Rathaus (town hall).With its location right in the heart of Switzerland, Zurich is a modern, cosmopolitan hub that is regularly ranked as one of the world's top cities for quality of life. It's also considered Switzerland's trend-setting city thanks to its highly innovative arts and creative scene.
