Dubai Deira Creek
Dubai - U.A.E

About Dubai

Dubai is located along the Persian Gulf in the north east of the United Arab Emirates. The emirate is known around the world as a business center and financial center. Due to the unique geographical location it enjoys a strategic position which allows it to connect to all local Gulf States, as well as to East Africa and South Asia. It has several man-made artificial collection of islands which resemble to a palm tree.

Dubai also has the highest population stands at an estimation of 1.5 million. Dubai is made up of a multicultural society.
