ANESTHESIA 2020

6th World Congress on

# Anesthesia and Critical Care

October 21-22, 2020 | Paris, France

https://anesthesia.conferenceseries.com/

# Invitation

Dear Colleagues,
Conference Series LLC Ltd. is delighted to welcome you to Paris, France for Anesthesia 2020.

We are confident that you will enjoy the scientific sessions of this upcoming conference. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge Presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Anesthesia and Critical Care Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to see you in Paris, France this October.

Sincerely,
**Anesthesia 2020**
Organizing Committee

# What is Anesthesia 2020 ?

Surgery Conferences Committee is glad to announce our upcoming "6th World Congress on Anesthesia and Critical Care" during October 21-22, 2020 at Paris, France

Anesthesia 2020 provides you with valuable accretion for your work. At Anesthesia 2020, Attendees will pick up the chance to learn and get advancements about the current information in Anesthesiology Explore the trends regarding Anesthesia, Critical Care and discover the results regarding your greatest challenges and share the information back to your physicians for a more informative discussion This is an international meeting where Anesthesiologists, Pediatric Anesthesiologists, Veterinary Anesthesiologists and all the medical professionals can meet their colleagues from across the globe in building their network, to achieve leadership and management skills, to develop analytical and research skills.

## Why Attend?

"6th World Congress on Anesthesia and Critical Care" is the leading Conferences of the World united by recognized academician in the field of Anesthesiology, critical care researchers, educators, health professionals, professors, academic scientists, industry researchers from across the globe which is an exclusive platform for sharing the knowledge and information and B2B gatherings with industrialists and potential clients to make a sprinkle and mark acknowledgment at this occasion. Latest improvements in Advanced Anesthetic Care and Critical Care can be discussed and it will give an exceptional opportunity to the individuals by

Keynote gatherings by Prominent Professors, Doctors
Poster/Oral presentations by Young Researcher
Novel procedures to profit your research
Addresses from prestigious speakers
Excellent platform for Global business and Networking openings
Meet the editors of refereed journals, Societies and Association applicants over the Globe

## Major Sessions

- General Surgery
- Neurosurgery
- Orthopaedics Surgery
- Anesthetics
- Spinal Anesthesia
- Steroid Anaesthesia
- Sedation
- Analgesic
- Anaesthetic machine
- Pain management
- Surgery Anaesthesia
- Robotic Surgery
- Plastic Surgery
- Paediatric anaesthesia
- General Anaesthesia
- Aesthetic Pharmacology
- Anaesthesia Awareness
- Anesthesia for Down syndrome
- Current trends in Anesthesia

## Supporting Journals

Journal of Anesthesiology & Pain Medicine
Journal of Pain & Relief
Anesthesia & Clinical Research

## Host City

Paris is the vital, political and cash related capital of France. Paris was set up in the third century BC by a Celtic people called the Parisii, who gave the city name by its. The amount of inhabitants in the city of Paris is 11,011,000.It is a hero among the most awesome urban districts on earth and home to true blue notable focuses, for example, Notre Dame, the Eiffel tower (320m), Bastille, Louver and different ceaselessly and the city is isolated into 20 “arrondissements” (regions) which are numbered 1 to 20. The channel Seine portions the city into the Rive Gauche on the south and the Rive Droite on the north banks of the stream. The city is both a helpful and division and structures within and focal station of the Ile-de-France, or Paris Regio. Paris, the accepted “City of Light,” is increasingly over the spot saw by the entire world for its progress, contemplative intrigue, and enormity. The city covers a region of 105.39 km2 (41 sq miles) which solidifies two islands, the Île Saint-Louis and the Île de la Cité. The city is generally level and low-lying. The most reduced point is 35 meters (115 feet) above ocean level.

The Eiffel Tower is a hero among the most grasped land stamps on earth worked by Gustave Eiffel in 1889 for the World Expo, achieving a stature of 324 meters, worked of iron and in excess of 7,000 tons in weight. Reliably, the Eiffel Tower has for all intents and purposes 7 million guests, and in 2010, the Eiffel Tower had its 250 millionth guest. Paris is the primary home of high structure, and has long set the models for shape in Europe. The way of life of Paris concerns explanations of the human experience, music, introduction passages, celebrations and other redirection. Paris’ yearly Bastille Day good times occur on July 14. Paris Plage is a yearly custom since 2002, seeing three shorelines, complete with sand and a subject, worked along the Seine.

# Vision & Plan

## Market Insights of Drugs Design

Euro Biomaterials 2020 welcomes all the attendees, Researchers, presenters, associations and exhibitors from all over the world to Paris, France. We are delighted to invite you all to attend the “14th Annual Conference on Stem Cell and Biomaterials” which is going to be held during March 18-19, 2020 at Paris, France. This Congress Committee is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on informative topics, poster presentations and various programs for participants from all over the world. We invite you to join us at the Euro Biomaterials Conference 2020, to share meaningful experience with scholars from around the world. We look forward to see you at Paris, France.

### Importance & Scope:

Biomaterials are the substances of biological or of synthetic origin which produce a significant function on interaction with living systems. Biomaterials provide a peer reviewed platform for characterisation and synthesis of biomaterials, production of novel structures and devices through fabrication technologies, fabrication of ex vivo functional tissues through tissue engineering, In vivo replacement of functional tissues and organs through regenerative medicine, delivery of therapeutic agents and vaccines through Nano – particulate systems . It also provides novel approaches in biomedical imaging, biosensors and diagnostics. It plays a key role in biocompatibility and toxicology studies and fundamental interactions between biological and biomedical systems. Biomaterials will have a great impact on development of pharmaceutical products with improved drug action and efficacy with reducing side effects. Nano medicine is one the field which shows a tremendous impact on therapeutics and diagnostics. Euro Biomaterials 2020 also aims to discover advances in Possibility to bring the assembling in Prague, Czech Republic. Attention of stem cells and its application widely prevalent among the Common Population. Stem cells are applicable to understanding the cancer the global stem cells market is segmented according to product type, sources, application, end users and geography and helpful to welfare of mankind. Stem cell medical aid is most promising treatment for diseases

# Sponsorship and Exposure

## Diamond

- Three workshop slots (audio visual included).
- Two complimentary exhibit booths with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Four complimentary registrations
- Logo recognition on congress website front page with link, sponsorship page
- One A4 color advertisement in the congress souvenir
- Three inserts provided by the sponsor in the congress delegate bags

## Platinum

- Two corporate sponsored workshop slots
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Three complimentary congress registrations
- Logo recognition on congress website front page with link and logo recognition on congress sponsorship page
- One A4 color advertisement in the congress souvenir
- Two inserts provided by the sponsor in the congress delegate bags.

## Gold

- Two complimentary congress registrations
- One corporate sponsored workshop slot
- One complimentary exhibit booth with priority to purchase exhibition space and choose booth location (Booth size-3X3 sqm)
- Logo recognition on congress website sponsorship page
- One A4 color advertisement in the congress program or book of abstracts (excluding cover pages)
- One insert provided by the sponsor in the congress delegate bags
- Priority to purchase additional sponsorship items

## Exhibition

- One complimentary congress registration
- Set up of one tailor-made exhibit booth (Booth Size 3x3 sqm)
- Logo recognition on congress website sponsorship page
- Color Advertisement in Congress souvenir
- Inclusion of your company's leaflet/insert in the congress delegate bags
- An exclusive online promotion on all our social Networking Sites
- Shape and raise your corporate image through logo branding
- Press Release on behalf of your company

# Tentative Agenda

## Day 1 / October 21, 2020

| Time | Session |
|---|---|
| **08:00 - 09:00** | **Registration /Reception** |
| *09:00 - 09:15* | Inaugural Address |
| **09:15 - 10:45** | **Keynote/Plenary Talk no: 3** |
| *10:45 - 10:50* | **Group Photo** |
| **10:50 - 11.00** | **Coffee/Tea Break** |
| 11:00 - 13:00 | Genomic Editing in Stem Cells |
| **13:00 - 13:30** | **Lunch Break** |
| 13:30 - 15:30 | Biomarkers |
| **15:30 - 15:45** | **Coffee/Tea Break** |
| 15:45 - 17:30 | Panal Discussions |

## Day 2 / October 22, 2020

| Time | Session |
|---|---|
| **09:00 - 10:00** | **Keynote/Plenary Talk no: 2** |
| *10:00 - 10:15* | Coffee/Tea Break |
| **10:15 - 13:00** | **Bioengineering** |
| *13:00 - 13:30* | **Lunch Break** |
| **13:30 - 15:30** | **3 D Printing of Biomaterials** |
| 15:30 - 15:45 | **Coffee/Tea Break** |

## Speaker Slots Available

Note: Program Schedule is subject to change with final allotment of the speaker slots

## Important Dates

**Abstract submission**

| | |
|---|---|
| Early Bird | February 29, 2020 |
| Second Early Bird | March 28, 2020 |
| Final | October 18, 2020 |

## Registrations

| | |
|---|---|
| Early Bird | February 29, 2020 |
| Second Early Bird | March 28, 2020 |
| Final | October 18, 2020 |
