About Abu Dhabi

Abu Dhabi is the federal capital and center of government in the United Arab Emirates sits off the mainland on an island in the Persian (Arabian) Gulf. It is the largest city of the Emirate of Abu Dhabi and one of the most modern cities in the world. Abu Dhabi is a well-ordered, industrious city with a pretty waterside location. Its focus on oil exports and commerce is reflected by the skyline's modern towers and shopping megacenters such as Abu Dhabi and Marina malls. Beneath white-marble domes, the vast Sheikh Zayed Grand Mosque features an immense Persian carpet, crystal chandeliers and capacity for 41,000 worshipers.The Sheikh Zayed Grand Mosque is the major sightseeing attraction and wows all who visit. But the city also makes a good base for excursions to the desert landscapes of Liwa Oasis and the oasis city of Al Ain.
