INVITATION

Dear Attendees,

We are glad to announce the 19th International Conference on Animal Biotechnology August 25-26, 2022 Dubai, UAE organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. ENT-2022 aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Animals and it's Research. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. 19th International Conference on Animal Biotechnology August 25-26, at Mumbai,UAE This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions.

Sincerely,

Animal Biotechnology-2022

Organizing Committee

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

Conferences Series LLC Ltd invites all the participants from all over the world to attend **19th International Conference on Animal Biotechnology August 25-26, 2022 Dubai, UAE**. Which includes keynote presentations, Oral talks, Poster presentations and Exhibitions? The theme of the conference is "Innovations outcomes and new technologies in Animal Biotechnology-2022

ENT-2022 which aims to gather the most elegant societies and industries along with the renowned and honorable persons from top universities across the globe. Animal Biotechnology-2022 on behalf of its organizing Committee welcomes all the Otolaryngology researchers, industrialists, doctors, young scientists as well as student and corporate delegates to participate and to have a great experience. The theme of the conference "Innovations, outcomes and new technologies in Animal Biotechnology-2022". During Animal Biotechnology-2022 conferences, the International symposiums, B2B meetings, international workshops will also be organized to discuss the specific topics in the field of Rhinology and Otology. The conference also welcomes International exhibitions from corporate sectors to showcase the recent advancements in tools and techniques. Conferences Series organizes a 1000+ Global Events inclusive of 300+ Conferences, 500+ Upcoming and Previous Symposiums and Workshops in Asia, Europe, USA and Middle East with support from 1000 more scientific societies and publishes 700+ Open access journals which contains over 30000 eminent personalities, reputed scientists as editorial board members.

Animal Biotechnology-2022 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Ear Nose and Throat , present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss emerging issues in Animal Biotechnology-2022
- Discuss and apply recent research findings related to Animal Biotechnology-2022.
- Reflect on the place of critical distance in Animal Biotechnology-2022.

Who should attend?

Animal Biotechnology-2022 is an international platform for presenting research about diagnosis, prevention and management and exchanging ideas about it and thus, contributes to the dissemination of knowledge in Rhinology and Otology for the benefit of both the academia and business.

The organizing committee of this Animal Biotechnology-2022 Conference is gearing up for an exciting and informative conference program including plenary lectures, symposia, workshops on a variety of topics, poster presentations and various programs for participants from all over the world. We invite you to join us at the Animal Biotechnology-2022 Asia Pacific 2022, where you will be sure to have a meaningful experience with scholars from all around the world. All members of the Animal Biotechnology-2022 Asia Pacific 2022 and Organizing Committee look forward to meeting you in Dubai, UAE.

Conference Sessions

- Animal Biotechnology
- Animal models and testing
- Animal Reproduction and Genetics
- Animal Welfare
- Veterinary Medicine
- veterinary Research
- Wildlife Management
- Animal Nutrition
- Dairy Farming
- Veterinary & Animal Science
- Emergency Animal treatments
- Veterinary Vaccines
- Animal Ecology & Physiology
- Veterinary Microbiology and Microbial Diseases
- Livestock Production
- Veterinary Physiotherapy
- Veterinary Physiotherapy

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties.
