AHVM 2017 | 8th International Conference on ANIMAL HEALTH AND VETERINARY MEDICINE | October 19-21, 2017 // Toronto, Canada

Dear Colleagues,

I hope this email finds you well.

We are glad to announce the **8th International Conference on Animal Health and Veterinary Medicine** to be held in Toronto, Canada from October 19-21, 2017 organized in collaboration with generous support and cooperation from enthusiastic academicians and journal of veterinary science and technology editorial board members.

This conference is a unique international platform that's a confluence of all stakeholders of the world – Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Animal Health, Veterinary Medicine, One Health, Animal Welfare, Animals in Research, Veterinary Specialties, Veterinary Internal Medicine, Animal Diseases, Animal Health, Food Safety and Food Security, Animal Biotechnology, Veterinary Oncology, Veterinary Practice Management and will be available to discuss with you the latest issues and trends in One Health, One Society.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Submit your abstracts: http://animalhealth.conferenceseries.com/abstract-submission.php

We believe your presentation would be a critical addition to the Animal Health 2017 conference. Please let us know by March 27, 2017 whether or not you'd be interested in presenting. Thank you for reading, and we very much look forward to hearing from you.

Best Regards,
Richard Stark | Program Director | Animal Health 2017
