

Annual Biotechnology Congress

July 23-24, 2018

Vancouver, Canada

https://annualbiotech.conferenceseries.com/

Invitation

Vancouver
Canada
JULY 23-24, 2018

Dear Attendees,

We are glad to announce the **Annual Biotechnology Congress** to be held in Vancouver, Canada from July 23-24, 2018 organized by Conference Series LLC, USA in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

This conference is a unique international platform that's a confluence of all Biotech and Pharma Industry, Academia, Researchers, Innovators, Regulators – coming together to present and discuss current topics in Biotechnology.

As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

We look forward to personally welcoming you to Vancouver, Canada

Sincerely,
Annual Biotechnology 2018
Organizing Committee

About Conference

Vancouver
Canada
JULY 23-24, 2018

Annual Biotechnology 2018 Conference website is attracting 25000+ online visitors ranging from Researchers, Academicians and Business professionals, who are working in this field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 70+ countries Annually
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Annual Biotechnology 2018 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

About Conference

Vancouver
Canada
JULY 23-24, 2018

Purpose

Annual Biotechnology Congress is an arena for interdisciplinary exchange among professionals in the field of Biotechnology.

Goals

The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through

Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Biotechnology industry present the most recent research findings, and promote and enhance scientificcollaborations around the world

Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

Objectives

After participating in this meeting, attendees should be able to

Discuss emerging issues in Biotechnology

Discuss and apply recent research findings related to Biotechnology

Reflect on the place of critical distance in Biotechnology

About Conference

Vancouver
Canada
JULY 23-24, 2018

Who should attend

Annual Biotechnology Congress is exclusively designed for Scientists, Researchers, Academicians, Early Career Scholars, students along with Industries and others engaged in endeavors related to Life sciences.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by crossref

Major sessions

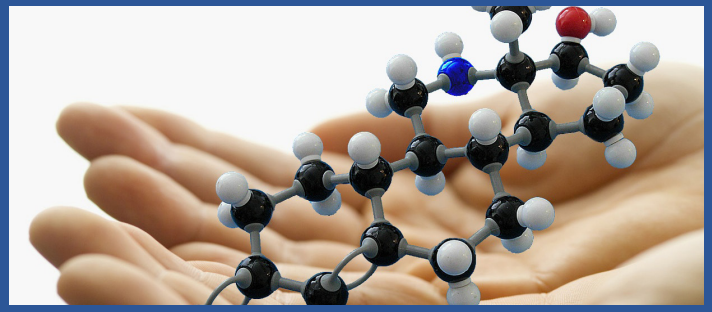

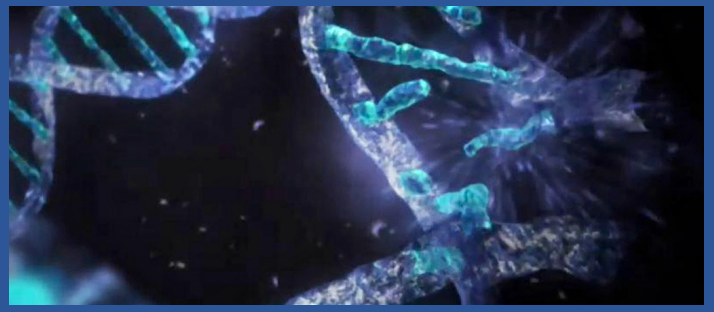

- Biopharmaceutical Engineering
- Biomass and Bioenergy
- Bioscience
- Biobanking
- Molecular Diagnostics
- Recombinant Gene Technology
- Tissue Engineering and Regenerative Medicine
- Industrial and Microbial Biotechnology
- Algal Biotechnology
- Agricultural and Environment Biotechnology
- CRISPR
- Food Processing and Technology
- Marine Biotechnology
- BioInformatics

About Vancouver

Vancouver
Canada
JULY 23-24, 2018

The town of Vancouver, is a coastal seaport city on the mainland of British Columbia, Canada, and the most populous city in the province. Vancouver is consistently named as one of the top five worldwide cities for livability and standard of life, and the Economic intelligence unit, acknowledged it as the first city to rank among the top-ten of the world's most liveable cities for five successive years. Vancouver has been called a "city of neighbourhoods" and it is the rightly earned reputation of being one of the most mesmerizing cities in the world. Downtown Vancouver is superbly situated on a cape in the Strait of Georgia, bounded to the south by the delta of the Fraser River and to the north by a intense fiord reaching far inland (Burrard Inlet). Also to the north, gleam the often snow-covered ranges of the Coast Mountains.With its large parks and relatively equable climate keeping temperatures mild throughout the year, Vancouver is a paradise for holiday activities. But it also own a busy cultural life, and the modern Downtown is easily explored on foot.

About Registration

Vancouver
Canada
JULY 23-24, 2018

Academic

Only Registration: USD 699

Package A (Registration + 3 nights' Accommodation): USD 1199

Package B (Registration + 4 nights' Accommodation): USD 1299

Business

Only Registration: USD 799

Package A (Registration + 3 nights' Accommodation): USD 1299

Package B (Registration + 4 nights' Accommodation): USD 1399

Student

Student Oral: USD 399

Student Poster: USD 499 (USD 399 + USD 100 for Poster)

Student Delegate: USD 299

E-poster: USD 99

Important Dates

Abstract submission opens: November 01, 2017
Registration opens: December 01, 2017
Early bird registration: February 1, 2018
On spot registration: July 23, 2018
