

28th International Conference on

Cardiology and medical interventions

October 30-31, 2020 |Vancouver, Canada

Invitation...

Dear Colleagues,

We are delighted to announce our **28th International Congress on Cardiology and Medical Interventions** scheduled from **October 30-31, 2020 Vancouver, Canada**.

“Prediction and Preventions” is the driving theme of the Annual Cardiology 2020, which will most definitely be reflected in the conference program, where we expect a remarkable turnout of world-renowned speakers.

Annual Cardiology 2020 will have more than 100 International renowned speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Cardiology. The conference will also provide an opportunity for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us.

Attendees at Annual Cardiology 2020 will have unique opportunity to meet with leaders of the Cardiology and Cardiovascular diseases profession from around the globe to discuss all of the scientific and technical breakthroughs that are changing the landscape of cardiology and fulfill their continuing education and professional development.

Annual Cardiology 2020

GOAL

The purpose of this year's conference is to discuss the wonders happening in the ever growing field of Cardiology. This conference is an acting stage for business professionals, Cardiologists Directors, academicians, technicians and mainly students to showcase their innovations and new ideas.
