Sincerely,

Annual Cadiology 2024

Organizing Committee

Annual Cardiology 2024

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

The Congress will highlight the discussion around the theme **"Defining the Future Vision of Heart"** by bridging the gaps between the intellectuals from across the globe to enlighten their research and findings at Annual Cardiology 2024. The highlights of the conference Annual Cardiology 2024 – The expeditious growth in the research & development in Cardiac Conference has revolutionized the efficacy and sensitivity of analytical devices across Healthcare, Food & Agriculture, and Defenses industries. However numerous difficulties remain for such devices and competing forms of the assay are still relevant, with some still outperforming and providing better value than Cardiac technologies.

Annual Cardiology 2024 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Annual Cardiology, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss Interventions in Cardiac Conference
- Discuss and apply recent research findings related to Cardiac Conference.
- Reflect on the place of critical distance in Cardiac Research.

Who should attend?

Academicians including Professors, PhD. Scholars, Students carrying out Cardiology and field studies, General Internist Pharmaceutical companies Research Scholars Doctors & Physicians Directors / Managers Industrial Professionals Clinical Researchers Healthcare Professionals Professors and students from colleges and universities Business delegates and Intelligence experts Vice Presidents of Medical institutions and Hospitals

Annual Cardiology 2024 salient features

- Paediatric Cardiology
- Clinical Cardiology
- Cardiac Surgery
- Cardiovascular Diseases
- Hypertension & Stroke
- Diabetes & Obesity
- Cardiac Pharmacology
- Cardiac & Cardiovascular Research
- Women Heart Health
- Echocardiography
- Cardiac and Heart Regeneration
- Clinical Case Reports on Cardiology
- Cardiology - Future Medicine
- Atherosclerosis
- Sports Cardiology
- Women and Cardiac Arrhythmia
- Heart Diseases & Heart Failure
- Heart Rhythm
- Congestive Heart Failure

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.

ABOUT TORONTO

Toronto is the largest city in Canada and serves as the capital of the province of Ontario. Situated on the northwestern shore of Lake Ontario, Toronto is a dynamic and multicultural metropolis that embodies the country's diverse identity. With a population exceeding 2.7 million people, it is not only Canada's most populous city but also one of the most culturally diverse cities in the world. Toronto is celebrated for its cosmopolitan atmosphere, rich arts and cultural scene, and a thriving economy. It boasts iconic landmarks like the CN Tower, Royal Ontario Museum, and the historic Distillery District. The city is also renowned for its commitment to sustainability and green spaces, with numerous parks, waterfront trails, and recreational areas.

Toronto is a global financial hub, housing the Toronto Stock Exchange and numerous multinational corporations, making it a significant player in the global economy. It is a city of neighborhoods, each with its own unique character and cultural influences, where you can explore a myriad of international cuisines, from Chinatown to Little Italy. The city is also home to several world-class universities and colleges, contributing to its reputation as an educational and research center. Toronto's people are known for their friendliness and welcoming nature, creating a city that is both vibrant and inclusive. It's a place where you can experience a rich tapestry of cultures, arts, and opportunities while enjoying the beauty of its urban landscapes and natural surroundings.
