Dear Attendees,

We are glad to announce the 8th World Congress and Exhibition on Antibiotics and Antibiotic Resistance to be held during March 08-09, 2021 organized by Conference Series LLC Ltd in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Antibiotics 2021 features highly enlightening and interactive sessions to encourage the exchange of ideas across a wide range of disciplines in the field of Antibiotics and Antibiotic Resistance. The conference includes explicit keynote talks from distinguished scientists, plenary sessions, Poster competition, Young Researcher sessions, Symposiums, Workshop and Exhibitions. The conference highlights the theme “CURRENT RESEARCH: TACKLING ANTIBIOTIC RESISTANCE” covering all important aspects in Antibiotics and Antibiotic Resistance Resistance.

As the premier Webinar, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend the Antibiotics & Antibiotic Resistance Webinar to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to your participation at Webinar this May.

Sincerely,
Antibiotics 2021
Organizing Committee

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues : All accepted abstracts will be

published inrespective Conference Series llc LTD Journals

Each abstract will be provided with digital Object Identifier by Crossref

About Conference

Antibiotics 2021 Conference website is attracting 25000+ Doctors, Public Health Researchers, Academicians, Practitioners, Early Career Scholars, students along with Industries, Organizations and other key stake holders from Healthcare and Medicine who are working in Antibiotics and Antibiotics Resistance field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Antibiotics 2021 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Medical Imaging and Clinical Research present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Antibiotics and Antibiotic Resistance.
- Discuss and apply recent research findings related to Antibiotics and Antibiotic Resistance.
- Reflect on the place of critical distance in Antibiotics and Antibiotic Resistance

Who should attend

8th World Congress and Exhibition on Antibiotics and Antibiotic Resistance is among the World's leading Scientific Conference. The two day event on Antibiotics & Antibiotic Resistance will host 60+ Scientific and technical sessions and sub-sessions on cutting edge research and latest research innovations in the field of Antibiotics & Antibiotic Resistance across the globe. This year Antibiotics and Antibiotic Resistance conference will comprises of 27 major sessions designed to offer comprehensive sessions that address current issues in various fields of Antibiotics and Pharmacology. The attendees can find- Exclusive Sessions and discussions on latest innovations in Antibiotics and Antibiotic Resistance. By participating in the conference, attendees will be able to study the advances in the Antibiotics research. This International Antibiotics and Antibiotic Resistance Webinar provide an opportunity to share research with professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as Presented at Antibiotics 2021.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref
