WELCOME ADDRESS

Dear Attendees,

The Antibiotics 2023 Organizing Committee is absolutely delighted to welcome you to the **10th World Congress and Exhibition on Antibiotics and Antibiotic Resistance** which will be held in **London, UK** on **February 13-14, 2023,** where we will be shining a spotlight on ***"Focusing on Emerging Therapies and Current Research Work"***.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your antibiotic research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities named as London. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2023 for an experience of a lifetime.

With Regards
Antibiotics 2023
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Antibiotics 2023 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Antibiotics 2023 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Antibiotics and Antibiotic Resistance.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Antibiotics.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

10th World Congress and Exhibition on Antibiotics and Antibiotic Resistance is among the World's leading Scientific Conference. The two day event on Antibiotics will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging infectious diseases & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Infection conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Antibiotics .

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Antibiotics provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Antibiotics 2023**.

ABOUT CONFERENCE

Who Should Attend?

Antibiotics 2023 Conference website is attracting 56000+ physicians, public health experts, Antibiotic therapist, Antibiotic researchers, Pharmocological researchers, specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Antibiotics
- The Emergence of Antimicrobial Resistance
- Antibiotic Resistance: Opportunities and Challenges
- Different Types of Antibiotics
- Applications of Antibiotics
- MRSA
- Antimicrobial Therapy
- Antimicrobial Peptides
- Antibiotics for Various Diseases and Infections
- Antibiotic Prophylaxis
- Antibiotics: In Pregnancy and Lactation
- Antibiotics in Different Industries
- Antibiotics for Emerging and Re-emerging Diseases
- Antibiotics and Mechanism of Action
- Micro Organisms in Recent Drug Discovery
- Drug Discovery and Novel Delivery Technologies
- Antibiotic Regulatory Affairs
- Antibiotics: Market Analysis and Business Opportunities

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Amur Margaryan
National Science Laboratory, USA

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Kuang-Hui Chi
National Yunlin University of Science & Technology, Taiwan

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Sudhanshu Sekhar Panda
University of North Georgia, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Ida PucciMinafra
University of Palermo, Italy

The conference was well organized and the committee was outstanding in keeping the whole event lively.

MouradTayebi
University of Surrey, England

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Ram Shanmugam
Texas State University, USA

ABOUT LONDON

The capital of the United Kingdom is London. It is the largest city in the United Kingdom, as well as the country's economic, transportation, and cultural hub. With a history spanning nearly two millennia, London is also one of the world's oldest cities. London is one of the most pluralistic cities in the world. It is the country's largest metropolis, as well as the country's economic, transportation, and cultural hub. London is a famous tourist destination for its great array of museums, shops, restaurants, and sports teams, in addition to its history, art, and politics.

London is located in south-eastern England, on both sides of the Thames River, some 50 miles upstream from its North Sea estuary. In 2012, London became the first city to congregation three Summer Olympic Games. London metropolitan area is the third-most overcrowded in Europe after Istanbul's and Moscow's. After Istanbul and Moscow, the London metropolitan region is Europe's third most populous.

The Tower of London, Kew Gardens, the Palace of Westminster, Westminster Abbey, and St Margaret's Church, and the historic settlement of Greenwich, where the Royal Observatory, Greenwich, defines the Prime Meridian (0° longitude) and Greenwich Mean Time, are all World Heritage Sites in London. Buckingham Palace, the London Eye, Piccadilly Circus, St Paul's Cathedral, Tower Bridge, and Trafalgar Square are among the other notable sights. The British Museum, National Gallery, Natural History Museum, Tate Modern, British Library, and West End theatres are among the many museums, galleries, libraries, and athletic venues in the city.

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
antibiotics@europeconferences.com

Academic

Only Registration: € 549
Regular Issue Publication + Registration : € 2289
Special Issue Publication + Registration : € 2175

Business

Only Registration: € 649
Regular Issue Publication + Registration : € 2379
Special Issue Publication + Registration : € 2265

Student

Student Delegate: € 230
Young Researcher Forum: € 380

Important Dates

Abstract submission opens: August 28, 2022
Registration opens: August 28, 2022
On spot registration: February 13, 2023

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access

To register online, please visit:
