

2nd International Conference on

Applied Microbiology and Beneficial Microbes

October 23-25, 2017
Osaka, Japan

conferenceseries.com

300+ Participation (70 Industry: 30 Academia)

12+ Interactive Sessions

5+ Keynote Lectures

50+ Plenary Lectures

3+ Workshops

10+ Exhibitors

B2B Meetings

Welcome Message

Dear Colleagues,

This conference is an international event that focuses on the acuteness of microbiology and its emerging diseases, techniques and fundamental importance of research aimed at uncovering its agents places the theme **"Scoping out Innovative research in Applied Microbiology & Future Trends of Beneficial Microbes"** among the most interesting and urgent problems in the field of medical science today.

It is therefore an honor for me and a great privilege to speak about the commitment of the Innovative Research in the International Congress entitled **"Applied Microbiology and Beneficial Microbes".** Furthermore, the group wishes to extend this commitment into the future: it is their intention to continue these conferences in the next years. The topics to be selected shall cover a wide range and encompass the most up-to-date information on the multifactorial events which lead to potential pandemics in the world.

With best wishes,

Guilio Tarro

President

Foundation T. & L. de Beaumont Bonelli for cancer research

Italy

Keynote Speakers

Guilio Tarro
President
Foundation T. & L. de Beaumont
Bonelli for cancer research, Italy

Junie Lia Minica
Head of Microbiology department
University of Medicine and
Pharmacy, Romania

Organizing Committee Members

Guilio Tarro
President
Foundation T. & L. de Beaumont
Bonelli for cancer research, Italy

Marika Carmela Orlando
President
International association of Wine
Fashion Europe, Italy

Arvind Madhavrao Deshmukh
President
Microbiology Society of India
India

Junie Lia Minica
Head of Microbiology department
University of Medicine and
Pharmacy, Romania

Isaac K O Cann
Professor
University of Illinois
United States

Konstantinos Kormas
Professor
University of Thessaly
Greece

Sevgi Ciftci
Associate Professor
Istanbul University
Turkey

Nikos E Mavroudis
Programme Leader
Northumbria University
United Kingdom

Horng-Dar Wang
Professor and the Director
Institute of Biotechnology
Taiwan

Maulin P Shah
Chief Scientist & Head-Industrial
Waste Water Research Lab
Enviro Technology Ltd., India

Tentative Agenda

October 23, 2017 Monday	
Time	**Session**
08:30-09:30	Registrations
09:30-11:00	Keynote Forum
	Group Photo
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Microbiology | Applied microbiology | Beneficial Microbes
12:20-13:00	Medical & public health microbiology | Clinical & diagnostic microbiology | Pharmaceutical microbiology
13:00-13:45	Lunch Break**
13:45-16:00	Industrial microbiology | Fermenters and Fermentation | Microbial biotechnology and Bioinformatics
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Microbial biochemistry | Food and Beverage microbiology | Dairy microbiology
Day Concludes	

October 24, 2017 Tuesday	
Time	**Session**
08:30-09:30	Registrations
09:30-10:30	Keynote Forum
10:30-11:30	Agricultural microbiology | Veterinary microbiology | Environmental microbiology
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Water microbiology | Aeromicrobiology | Microbial Nanotechnologies
12:20-13:00	Biofuels and Petroleum microbiology | Biopharmaceuticals | Biofilms
13:00-13:45	Lunch Break**
13:45-16:00	Antibiotics and Chemotherapy | Prebiotics and Probiotic | Brewing microbiology
16:00-16:15	Network & Refreshments Break*
16:15-18:00	Workshop
Day Concludes	

October 25, 2017 Wednesday	
Time	**Session**
09:30-10:30	Microbial ecology | Geomicrobiology
10:30-11:30	Genetic engineering | Metabolic engineering | Oral Microbiology
11:30-11:45	Network & Refreshments Break*
11:45-12:20	Molecular microbiology | Cellular microbiology | Vaccinology and Immunology
12:20-13:00	Soil microbiology and nutrient cycling | Forensic microbiology
13:00-13:45	Lunch Break
13:45-16:00	Special sessions
16:00-16:15	Network & Refreshments Break*
16:15-17:00	Award Ceremony
Conference Concludes	

* Exclusive Exhibitor Event | ** Networking Event

Note: Conference schedule is subject to change.

Note: Workshops and Symposia slots are available. To book slot for Workshop and Symposium send us the proposal.

Past Conference Report

Conference series Ltd hosts the prestigious "2nd International Conference on Applied Microbiology and Beneficial Microbes" which will be held during October 23-25, 2017 Osaka, Japan after the successful "International Conference and Summit on Industrial and Pharmaceutical microbiology" which was held during October 17-18, 2016 Kuala Lumpur, Malaysia. The conference was marked with the attendance of Editorial Board Members of supported Conference Series Ltd journals, scientists, professors, young and brilliant researchers, business delegates and talented student communities representing more than 20 countries, who made this conference fruitful and productive. This conference was based on the theme, "Scoping out Innovative research in Applied Microbiology & Future Trends of Beneficial Microbes"

Applied Microbes 2017 will feature a global audience of scientific leaders, academia and microbiology professionals, who are going to discuss today's emerging diseases, techniques , treatment and diagnostics in various microbiology fields. By bringing together the microbiology community, presenting the latest developments, and identifying unmet treatment needs, Applied Microbes 2017 hopes to accelerate research and drug development in microbiology improving patient outcomes.

Keynote Speakers @ 2016 Conference

Miguel Angel Hernandez Rivera
Mexico

Sunil Kumar Lal
Malaysia

Soo-Ki Kim
South Korea

Minaketan Tripathy
Malaysia

Tourist Attractions

Venue

Osaka, Japan- Osaka is a designated city in the Kansai region of Japan. It is the second largest metropolitan area in Japan and among the largest in the world with over 19 million inhabitants.

Must visit destinations in Osaka

- Osaka Castle
- Osaka Aquarium
- Shiteno-ji Temple
- Umeda Sky Builiding
- Minami

Osaka is known for its food, in Japan and abroad. Osaka is the food capital of the world. Osaka is known for its fine sake, which is made with fresh water from the prefecture's mountains. Osaka's culinary prevalence is the result of a location that has provided access to high quality ingredients, a high population of merchants, and proximity to the ocean and waterway trade. In recent years, Osaka has started to garner more attention from foreigners with the increased popularity of cooking and dining in popular culture. Osaka Science Museum . The Museum of Oriental Ceramics holds more than 2,000 pieces of ceramics, from China, Korea, Japan and Vietnam.Osaka Municipal Museum of Artis.

You'll fall in love with Osaka

Venue:
Hyatt Regency Osaka, 1-13-11, Nanko-Kita
Suminoe-Ku Osaka, Japan
