

7th World Conference on

Applied Microbiology and Beneficial Microbes

February 21-22, 2022 Webinar

Theme: Scoping out Latest exploration in Applied Microbiology & Future Trends of Beneficial Microbes

Email: appliedmicrobes@asiameets.com

INVITATION

Dear Attendees,

We are glad to announce the **7th World Conference on Applied Microbiology and Beneficial Microbes** to be held in **Webinar** on **February 21-22, 2022 on Webinar** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. **Applied Microbes 2022** aims at sharing new ideas and technologies amongst the professionals, industrialists and students from research areas of Addiction. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. 7th World Conference on Applied Microbiology and Beneficial Microbes amid February 21-22, 2022 on Webinar at Webinar. This consolidates incite keynote presentations, Oral talks, Poster presentations and Exhibitions. Sincerely,

Applied Microbes 2022

Organizing Committee

Applied Microbes 2022

ABOUT US

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

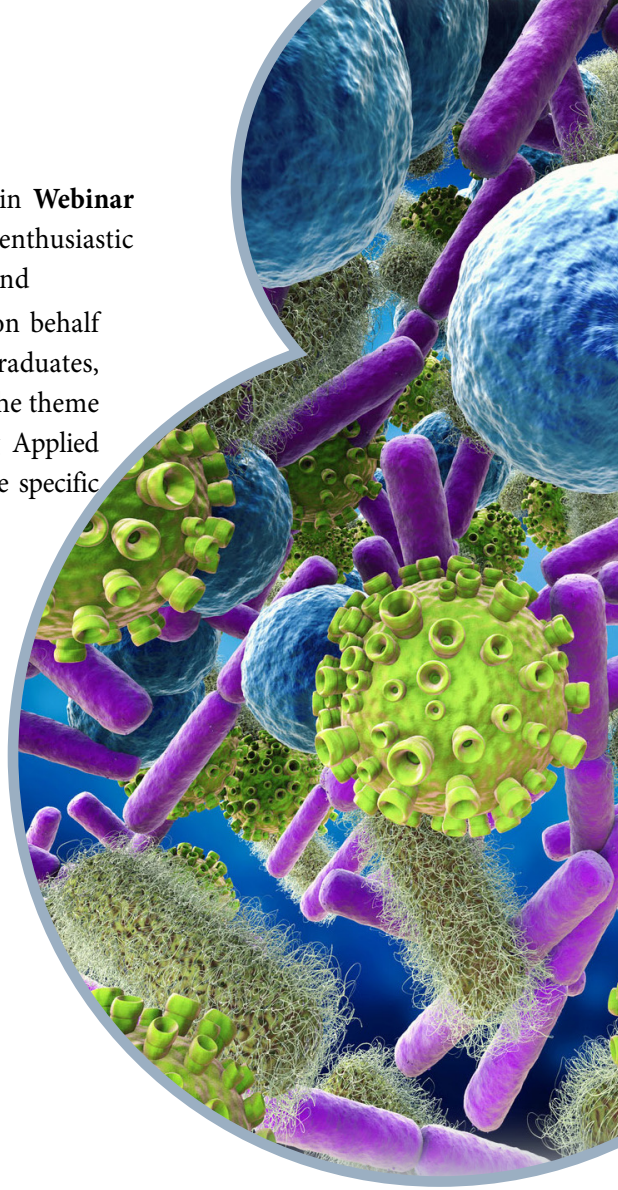

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

ABOUT CONFERENCES

We are glad to announce the **7th World Conference on Applied Microbiology and Beneficial Microbes** to be held in **Webinar** on **February 21-22, 2022 on Webinar** organized in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members. Applied Microbes 2022 which aims to gather the most elegant societies and industries along with the renowned and honorable persons form top universities across the globe. Applied Microbes 2022 on behalf behalf of its organizing Committee welcomes all the Microbiologists, research experts, medical educators, research fellow, postgraduates, industrialists, doctors, young scientists as well as student and corporate delegates to participate and to have a great experience. The theme of the conference is "Scoping out Latest exploration in Applied Microbiology & Future Trends of Beneficial Microbes". During Applied Microbes conferences, the International symposiums, B2B meetings, international workshops will also be organized to discuss the specific topics in the field of Applied Microbiology and Microbiology.

Applied Microbes 2022 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 150+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientist's representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference is to provide a transformative professional development experience through.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about International Conference on Applied Microbes, present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

ABOUT CONFERENCES

Objectives

- After participating in this meeting, attendees should be able to
- Discuss and apply recent research findings related to Applied Microbes and Microbiology
- Reflect on the place of critical distance in Microbiology

Who should attend?

- Academicians including Professors, PhD Scholars, Students carrying out laboratory and field studies, Industrial Giants, healthcare professionals and the people Associated, Nobel laureates in Microbiology researchers, councillor, doctors, young scientists as well as corporate delegates

Conference Sessions

- Microbiology & Microbes World
- Medical microbiology
- Soil Microbiology
- Industrial microbiology
- Prebiotics and Probiotics
- Human Micro biota
- Food microbiology
- Veterinary microbiology
- Molecular Bio robotics
- Water microbiology
- Geomicrobiology
- Host pathogen Interaction
- Host pathogen Interaction
- Bioinformatics for Micro biome
- Applied Microbiology in Animals
- Forensic Microbiology
- Pharmaceutical Microbiology
- Animals in a bacterial world, a new imperative for life sciences
- Public Health & Epidemiology

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ ScientificSocieties. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
