International Conference on

Applied Microbiology and Infectious Diseases

July 24-25, 2020 Vancouver, Canada

https://appliedmicrobiology.annualcongress.com/

Invitation...

Dear Colleagues,

We are delighted to announce our **Applied Microbiology and infectious diseases** scheduled from **July 24-25, 2020** in **Vancouver, Canada.**

“Current Research and Future Innovations in Microbiology” is the driving theme of the Applied Microbiology 2020, which will most definitely be reflected in the conference program, where we expect a remarkable turnout of world-renowned speakers.

Applied Microbiology 2020 will have more than 100 International renowned speakers to share their latest research results to participants; the planned program will cover a variety of subjects in the field of Dentistry. The conference will also provide an opportunity for interaction and interchange ideas through posters, open discussion and program project. We strongly believe that the exchange of knowledge and experience will result in a strong global collaboration between you and us

Attendees at Applied Microbiology 2020 will have unique opportunity to meet with leaders of the Dental and Oral Health profession from around the globe to discuss all of the scientific and technical breakthroughs that are changing the landscape of dentistry and fulfill their continuing education and professional development.

Applied Microbiology2020

GOAL

The purpose of this year's conference is to discuss the wonders happening in the ever growing field of Microbiology. This conference is an acting stage for business professionals, Applied Microbiology Directors, academicians, technicians and mainly students to showcase their innovations and new ideas.

NETWORKING

The attending experts, industry partners and motivational speakers will provide a fantastic networking experience.
This conference provides B2B and B2C at a single international platform, which will definitely add value to your ideas in terms strategic development and management.
