WELCOME ADDRESS

Dear Attendees,

The Applied Microbiology 2022 Organizing Committee is absolutely delighted to welcome you to the **10th World Congress and Expo on Applied Microbiology** which will be held in **Dubai, UAE** on **November 21-22, 2022,** where we will be shining a spotlight on *"Future trends in Microbiology"*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Microbiology research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which Dubai, UAE. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2022 for an experience of a lifetime.

With Regards
Applied Microbiology 2022
Organizing Committee

ABOUT US

About Hosting Organization

Conference Series LLC Ltd is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

Applied Microbiology 2022 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

ABOUT US

Goals & Objectives

- The Applied Microbiology 2022 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Applied Microbiology
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Applied Microbiology.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, clinicians and entrepreneurs

About Conference

10th World Congress and Expo on Applied Microbiology is among the World's leading Scientific Conference. The two day event on Applied Microbiology will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Applied Microbiology & Research & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Microbiology conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Applied Microbiology.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Applied Microbiology provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Applied Microbiology 2022**.

ABOUT CONFERENCE

Who Should Attend?

Applied Microbiology 2022 Conference website is attracting 56000+ Cosmetics, Dermatology, Hair and Nails, Skin cancer, Immunodermatology, Laser Surgery specialists, researchers, professionals, speakers, professors, business delegates and students.

Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

Conference Highlights

- Medical Microbiology
- Antimicrobial Agents and Resistance
- Clinical Infections and Vaccines
- Clinical and Public Health Microbiology
- Pharmaceutical Microbiology
- Industrial Microbiology, Microbial Biotechnology and Future Bioindustries
- Applied and Environmental Science
- Host-Microbe Biology
- Microbial Ecology and Evolution
- Molecular Biology and Physiology
- Food Microbiology
- Environmental Microbiology (Soil Microbiology & Water Microbiology)
- Aquatic and Marine Microbiology
- Veterinary Microbiology
- Plant Pathology and Microbiology
- Agriculture and Forest Microbiology

TESTIMONIALS

The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.

Ocky Karna Radjasa
Diponegoro University, Indonesia

The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.

Peng Tian
United States Department of Agriculture, USA

That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.

Zhiheng Pei
New York University School of Medicine, USA

The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.

Guan Yuntao
Tsinghua University, China

The conference was well organized and the committee was outstanding in keeping the whole event lively.

Haifeng Jia
Tsinghua University, China

It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.

Hui Wang
Tsinghua University, China

ABOUT DUBAI

Dubai is one of the seven emirates that make up the United Arab Emirates. With slant cube, it's bounded in the north by Sharjah and in the south by Abu Dhabi. The megacity is rather like an state and is the most ultramodern and trade Expositions (BIE), Paris. Dubai is virtually synonymous with shopping. The huge quantities of weight passing through its harborage and the available at fairly competitive appreciation of the Dirham and the generous force of shoppers means that Dubai is no longer a basement shopping megacity.

Once you land in Dubai, you might not suppose it's an Arab megacity, given its smart sense and its ultramodern Western- nominated infrastructures. When Dubai was in state before the disquisition of canvas, some Indians supplied technology for the development of it

Some of the city attractions are:

The Burj Khalifa.
The Dubai Mall
The Dubai Fountain
Deira district and its souks
Bur Dubai
Atlantis Hotel / The Palm Jumeirah / Aquaventure Waterpark. ...
Dubai Marina

REGISTRATIONS

Registration Payment Method:

Payment of registration fees (in EUR, USD & GBP) can be done by the following methods:

- By Credit Card: Visa, MasterCard or American Express
- By Bank Transfer
- By Pay-pal

For group registrations please contact/email us at:
events@conferenceseries.com

Academic

Only Registration: € 499
Package A (Registration + 2 Nights Accommodation): € 799
Package B (Registration + 3 Nights Accommodation): € 949

Business

Only Registration: € 599
Package A (Registration + 2 Nights Accommodation): € 899
Package B (Registration + 3 Nights Accommodation): € 1049

Student

Student Delegate: € 399
Young Researcher Forum: € 449

Registration Benefits:

- ✓Access to all Sessions
- ✓Handbook & Conference Kit
- ✓Certificate Accreditation from the Organizing Committee
- ✓Abstracts will be published in the conference souvenir and respective international journal
- ✓Each registrant will get 50% abatement on manuscript publication fee
- ✓2 Coffee breaks (Refreshments and snacks) during the conference
- ✓Lunch during the conference
- ✓Wi-Fi access
