Invitation

Dear Attendees,

We are glad to announce the 6th International Conference on Applied Microbiology and Infectious Diseases to be held On May 20-21, 2025 at Vancouver, Canada organized by Conference Series LLC Ltd, in collaboration with generous support and cooperation from enthusiastic academicians and editorial Board Members.

Applied Microbiology 2025 is an extraordinary event to facilitate the dissemination and application of research findings related to Applied Microbiology and Infectious Diseases and its research. The conference invites participants from all leading Universities, Applied Microbiology and Infectious Diseases Institutions and Companies to share their research experiences on all aspects of this rapidly expanding field and thereby, providing a showcase of the latest innovations and advancements in Applied Microbiology and Infectious Diseases.

As the premier Conference, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend Applied Microbiology and Infectious Diseases Conference to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to your participation at Vancouver this May.

Sincerely,
Applied Microbiology
Organizing Committee

About Us

Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ facebook fans Likes
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manu Scripts in our Open Access Journals

Special Issues: All accepted abstracts will be published in respective Conference Series llc LTD Journals each abstract will be provided with digital Object Identifier by Crossref

About Conference

Applied Microbiology 2025 Conference website is attracting 25000+ online visitors ranging from Researchers, Academicians and Business professionals, who are working in Microbiology field. This unique opportunity that we extend to our speakers and attendees is not being offered by any other conference organizers. Through this the abstracts and research profiles of our speakers and organizing committee members getting global visibility which is an additional feature that you would be receiving in addition to networking opportunities before, during and after the conference.

Applied Microbiology 2025 salient features

- Meet Academia and Industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, Benchmarking and Networking offered at one place
- Forge connections and for global networking
- Highly Organized and Structured Scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 30+ countries all through the year
- Over 25 Million+ Visitors and 20000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking

Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration. The goals of the conference are to provide a transformative professional development experience.
- Bringing together the world's scientific experts to catalyze and advance scientific knowledge about Medical Imaging and Clinical Research present the most recent research findings, and promote and enhance scientific collaborations around the world.
- Bringing together community leaders, scientists, and policy leaders to promote and enhance programmatic collaborations to more effectively address regional, national and local responses to Elderly Population around the world and overcome barriers that limit access to care and services.

About Conference

Objectives

After participating in this meeting, attendees should be able to

- Discuss emerging issues in Applied Microbiology and Infectious Diseases.
- Discuss and apply recent research findings related to Applied Microbiology and Infectious Diseases.
- Reflect on the place of critical distance in research of Applied Microbiology and Infectious Diseases.

Who should attend

6th International Conference on Applied Microbiology and Infectious Diseases is among the World's leading Scientific Conference. The two day event on Applied Microbiology and Infectious Diseases practices will host 60+ Scientific and technical sessions and sub- sessions on cutting edge research and latest research innovations in the field Applied Microbiology and Infectious Diseases across the globe. This year Applied Microbiology and Infectious Diseases conference will comprises of 14 major sessions designed to offer comprehensive sessions that address current issues in various fields of Applied Microbiology and Infectious Diseases. The attendees can find- Exclusive Sessions and discussions on latest innovations Applied Microbiology and Infectious Diseases. By participating in the conference, attendees will be able to study the advances in the Applied Microbiology and Infectious Diseases. This International Conference on Applied Microbiology and Infectious Diseases conference provides an opportunity to share research with Experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as Presented at Applied Microbiology and Infectious Diseases.

About hosting organization

Conference Series is the world's leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharmacy, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by Crossref
