APPLIED NANOTECH 2021

International Conference on

Nanotechnology in Materials Sciences

June 21-22, 2021 Webinar

https://nanotechnology.annualcongress.com/

Invitation

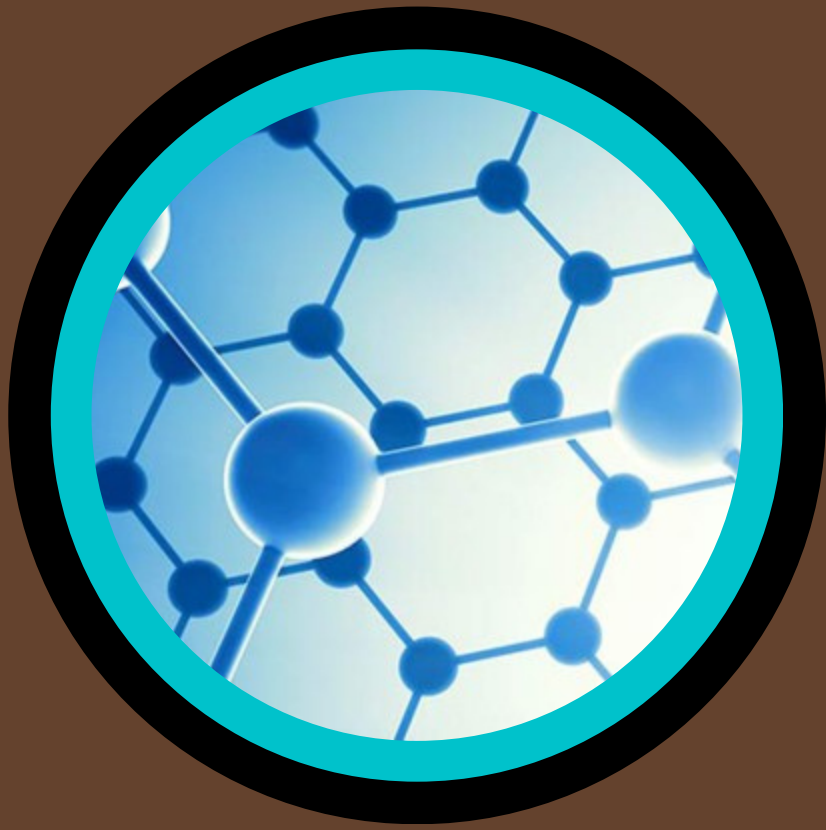

Dear Colleagues,

Conference Series LLC Ltd. is delighted to welcome you to Applied NanoTech 2021 Conference.

We are confident that you will enjoy the scientific sessions at this upcoming conference. As the premier event, we have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Sincerely,
Applied NanoTech 2021
Organizing Committee

About Conference

Applied Nanotech 2021 brings together all the International communities (students, scientists, engineers, and stakeholders from academia, government laboratories, industry, and other organizations) working in the field of Nanoscale science and technology to discuss new and exciting advances in the field. This conference will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields.

The nanotechnology conference committee invites all the participants from all over the world to attend the “International Conference on Nanotechnology in Material Sciences” which is going to be held during June 21-22, 2021 as a webinar that includes prompt keynote presentations, Oral talks, Poster presentations and Exhibitions.

Target Audience

- Nanotechnology Professionals
- Directors of companies in the field of Nanotechnology
- Leading scientists
- Biomedical Engineering
- Medicine and Pharmaceuticals
- Professors
- Fellows or postdoctoral students
- Researchers, CEOs
- Business Delegates
- Doctors
- Young research scientists
- Medical Colleges
- Nanotechnology Associations and Societies
- Manufacturing Medical Devices Companies
- Healthcare professionals
- Founders and Employees of the related companies
- Clinical investigators

Scientific Sessions

- Advances in Nanomedicine
- Properties of Nanomaterials
- Nano Electronic devices
- Nanotechnology and Nanomaterials for Energy and Environment
- Nanotechnology Applications
- Scope of Nanomaterials
- Lignocellulosic Biomass
- Applications of Nanomaterials
- Nanotech Products
- Nanotechnology in Medicine
- Nanopharmaceuticals
- Medical Nanotechnology in cancer therapy
- Nanomaterials Characterization
- Nanomaterials Synthesis
- Nanodevices and Systems
